ATHLETICS (JUNIOR)

Liaison Director: John Rodwell

The new season of Little Athletics commences Friday 28th August and runs through until mid March 2016.

Registrations are accepted via our website in August: www.revesbylac.org.au

We run competition for children from age Under 6 to Under 17 on Friday nights

from 6pm-9pm.

The Centre's grounds are at the rear of the University of Western Sydney, Bankstown Campus. Entry is from Bullecourt Avenue, Milperra.

The children engage in running, jumping and throwing events in accordance with the Little Athletics NSW guidelines and have the opportunity to compete at carnivals outside our centre as well as in

regular Friday night competition.

Little Athletics is a sport which requires parent participation to be safe and successful and we are a family friendly club which welcomes returning athletes as well as those new to the sport.

Registration fees are a one off cost each year (no weekly fees involved) and uniforms are purchased at the Centre during the registration period. We also do a small amount of fundraising to assist with purchase of end of season awards and keep our equipment up to date.

For any information or enquiries please contact Christine on 0413886431.

AUSTRALIAN NATIVE ORCHID CLUB

Liaison Director: John Rodwell

Members are in full swing, growing, feeding and watering their plants in preparation for the upcoming flowering season. Plants flower spikes need to be trained up a cane to provide the best possible presentation of their delicate flowers.

This may be for personal enjoyment or for the more serious growers to enter the various competitions held throughout the year; to this end the Revesby Workers Australian Native Orchid Club holds two shows per year.

The first will be held on Sunday the 13 September in the atrium within the Workers Club in Brett St.

The second will be held on the 17 October in the Sports and Recreation Centre in Homelea St Panania. This show will be the premier Sarcophilus Show in Australia. In previous years members have received many awards from the State body for the presentation and colours of their orchids. Visitors travel from as far away as Tasmania and Victoria to enter and attend this prestigious show.

This year we have a good increase in memberships both male and female, novice and experienced. If anyone reading this journal is interested in joining this sub branch Orchid Club please contact: Ian Lawson, Secretary on 9773 6047 or e-mail lawsonoz@optusnet.com.au. Or Don Roberts President on 9771 5474 or e-mail ddd_eroberts@hotmail.com. Or visit the Orchid Clubs website at rwanoc.com.

Membership is \$10 per year. We meet at 7.30pm on the fourth Wednesday of the month in the Revesby Workers' Club in the McArthur rooms. Our meetings run from March to November each year. A raffle for Orchid plants is held at each meeting and guest speakers regularly attend.

BOWLS – LAWN (LADIES) **Liaison Director: Ian Stromborg**

It is my pleasure again to report on the activities of our Women's Bowling Club. Since our last report I am pleased to announce the following results.

Our Grade 4 Section B Pennant players won their section and the play off with Section A winners Picnic Point led to a great final. Unfortunately our team went down by 1 shot.

In April Pat Tate, Jean Reichart and Jan Calderon made the finals of our District Triples but unfortunately went down to Olds Park Bowling Club

May 2nd Sandra Rimmer and Dot Hopkins make the semi finals of the District Pairs however they lost to a team from Roselands Bowling Club. In May we held our annual Biggest Morning Tea for the Cancer Foundation and \$800 was raised towards this great charity.

On May 28th the final of our Club Major Singles Championship was held with Margaret Pullen defeating Jan Calderon. During May it was with regret we lost a dear member of our club. Mavis Albiston. She joined our club after Panania Memorial closed and although in her late 80s entered many of club championships – amongst other wins she won the Major Singles twice during her stay with us. She will be sadly missed.

June 18th was our Presidents. Officers and Friends Day - A great day was held. This was Lyn Gallant first President's Day and also a day to say thank you to our Executive and Committee members for the work they did during the past 12 months.

Although we had a lot of rain during the beginning of the week we were able to play a couple of hours bowls before we came in and had a very nice meal supplied by Revesby Workers Ltd. As we go to print our Pairs Championship has commenced and results will be in next journal.

Any ladies wishing to take up Lawn Bowls are most welcomed and should contact our Secretary Pat Tate on 9731 0957

BOWLS – LAWN (MENS) **Liaison Director: Ian Stromborg**

Anzac Day was commemorated at The Fibro as usual, and to pay homage to all our servicemen past and present we had a commemorative bowls cloth specially made and it was distributed to all members of our bowling club as a memento of the 100th anniversary of the Gallipoli landing. A tragedy that is part of our heritage and remains as strong as ever in our hearts amongst our present generation as it did in the past.

Kerrie opened the doors to the Fibro at 6.30 and our workforce quickly got things set up for the days activities. Adrian, Bazza, Col Flack, Denis Martin, Ernie, Frank Scott, Ken Whetton and Sonny Dawes quickly got the kitchen buzzing preparing those hot sizzling brekkies for the throngs that were expected at 8am, who duly arrived and got into the food with gusto.

In the main lounge area it was all go as Dot and Joanne were also preparing for the crowds and making sure they all donated a small entry fee which entitled them to that sizzling brekkie plus any other food that was on all day long. Doug, Ray and Steve, Eddie and Merv were getting all the raffle prizes on display as well as running the quickfire morning raffles. The numbers were about the usual throughout the day, some coming and going and coming back again. There was plenty of food for them in the arvo as Wardie, Trains, (Glen) Eddie and Frank Schocher kept the hot and cold food coming.

At 1pm all assembled for our first ever Anzac ceremony, at our new flagpole for the solemn tribute to our ANZACS. Bowls President Ray Hopkins eulogised about the horror of warfare and what it means to be Anzac, while Regular Army's John Taylor handled the lowering and raising of the flag as the bugle sounded the last post etc. The Bowlers had their traditional mixed bowls game and got back in the clubhouse just as the heavens opened up. (This was part of the April big wet not to be confused with the Feb big wet or the May big wet). The Monster Raffle was underway at 5pm and with the help of Mathew (doc) Watson, (marvellous Ritchie) was a great success and in the end we will be sending a cheque to our friends at Legacy Australia for almost \$5000.00, quite a good result once more to the Fibro. We thank all those donors who gave so readily to our cause, the local business houses, as well as our ordinary members and once again to the younger generation who honoured this special day and dug deep without

hesitation when asked.

The Boys from the Fibro had their annual sabbatical to Narrabri Bowling Club for the Queen's Birthday long weekend, and a great time was had by all. Bragging rights for the ensuing year went to Ray "Hollywood's" team over Steve "Jacko's" team 4 matches to 3. The boys were entertained for the weekend by Jacko the Magician, apparently he has been studying conjuring at the local TAFE College. Although he is not yet competent he did give it a good try.

Firstly on Saturday morning on the first end of game 1 he made his four bowls disappear out of a closed bowls bag, however it did take a lot of special words and until Sunday morning to get them to return albeit only 2 bowls in a two bowl bag. Not bad you say, Well he then was able to make a pair of spectacles disappear on Saturday night and have them reappear on Sunday morning a bit bent and with one lens missing. He did better yet on Sunday night he made them disappear again but he must have lost to the magic words as he was unable to make them return, gone up in thin air some were around Narrabri I suspect. Cheers from A Heartless-Be.

Saturday 13th June was action day at the Fibro, when we had the semi-finals plus the finals of the Major Singles and the Minor Singles, not to mention our usual mens social game as well. Both finals provided great entertainment for those in attendance.

NO SCHOCHS HE SLIPS OUT

The Major Singles final was between Col Heaslip and Frank Schocher, both of whom are no strangers to finals bowls. It was a see-sawing battle with this pair first one, then the other would dominate for periods. The first to take the lead was Col going 6-0 in 5 ends, then Frank said enough of this and after 15 ends was leading 18-7. Col came back but it was a big deficit and even though he won 11 of the remaining ends, he just couldn't bridge that gap and Frank ran out winner 31-23. A very entertaining and high grade game, as was expected from 2 of our best players

KIRGAN KICKS ON AS KIYINI DROPS OFF

The Minor Singles was no less entertaining between Amir Kiyani and Paul Kirgan, both of whom are having a good year even though they were probably the least experienced players in the Minors. It was the experienced ones this pair left in their wake as they made short work of them on their way to the pointy end of this tournament. Paul got away to a good start and lead 13-6, but Amir came back was leading 26-18, after 24 ends and looking like it was just a formality to close the game out, as he was holding 3 or 4 shots with one bowl in hand. Ah, if only Amir could

have that moment over. His bowl overshot and shifted the jack a few inches, the result was 2 shots to Paul, who was still behind 20-26 after that, but the momentum had shifted. Amir never troubled the scorer again, as Paul took full advantage of his luck and closed the game out at 32-26. Bowls can be a cruel game but that is why we love playing it. It was a great game of a high standard with both players evenly matched, neither deserved to lose.

THE TRADITION CONTINUES

The traditional game of Revesby Workers' Golf Club versus The Bowls Club was played at The Fibro on Sunday 14th June. To quote Juan Antonio Samaranch "dis was de best games effer". Well slight exaggeration but it was up there with the best. A good roll up of golfers, the same amount of bowlers, a perfect sunny day in winter, friendly atmosphere on the greens that were slick and couldn't be faulted, what more could you ask for? Great organisation? Tick. A meal fit for a king? Tick. Yes Rocky and his crew, Glenn Mathew, Sonny Dawes, Bazza Eyars and Bruce Taylor really excelled themselves and made it a very enjoyable day. It was a great game and these golfers keep on improving at bowls and certainly show us that they "get" this game now.

It was good to see the old familiar faces again, Golf Pres. John Varica, Captain Steve Vaughn, Rosco, Macca etc, as well as some new faces. While we all play hard nobody really cares who wins, so how good was it that the result was A TIED GAME! Yes both teams finished with 110 shots! A fitting result for a great tradition.

So let the tradition continue. We will see you again on the first Sunday in June 2016, be there!

We had 2 teams contest their summer season Grand Finals – the A Grade (1) side – minor premiers – and the Under 12 Maroons. Alas, the A Grade dropped their excellent form when it counted and lost their Grand Final. The Under 12 Maroons (pictured) played brilliantly in a tight match to win their premiership.

Now, the summer season is just around the corner with competition commencing for seniors, juniors and minis in early September. Please don't forget that registrations are being taken at the Revesby Workers' Sports & Recreation Centre, Homelea Avenue, Panania, on only 3 Sundays this year 2, 9, & 16 August from 10am 'til noon.

We expect to have the newly purchased

bowling machine operational for the upcoming season.

The 2014 -15 Presentations were again well attended. Congratulations to the following Award Winners:-

SENIORS: Bowling, Chris Bale B Grade, (45 wkts @ 10.16 ave), Batting, Aaron Greening B Grade (623 runs @ 41.53 ave), President's All Round Award, James Leedow A Grade (398 runs @ 30.62 ave & 25 wkts @ 20.40 ave).

JUNIORS: Bowling, Peter Koletti Under 12 Maroon (14 wkts @ 6.07 ave), Batting, Jasdeep Saini Under 12 Maroon (279 runs @ 34.88 ave), Junior All Round performance Harjapan Singh Under 10 (127 runs @ 31.75 average, 11 wkts @ 6.45 ave).

Congratulations to Thomas Bush and Thomas Nielsen (juniors), on racking up 10 years – so young!.... and to senior players Stu Hallows, Alex Weston and Wally Byrne on ten years with the Club.

The Benham Award for Junior Service to the Club went to Under 15 player Alejandro Salgueira for giving up his Thursday afternoons in assisting with running the Milo in2Cricket Program, while the "Murph" Award for Service to the Club was awarded to Chris Caccamo for his outstanding commitment to the Club, in coaching the Under 16 Whites and captaining the C Grade Whites. Thank you and congratulations to Alex and Chris.

The Team of the Year was the Under 12 Maroons, Premiers. Congratulations to Paul Caccamo, Mark Dimond and their team.

We also congratulate our Treasurer, Ray Benham, on being made a Life Member of the Bankstown District Cricket Association at their Presentation Night in May. Ray has been a long term volunteer with the Association, and in season 2014-15 undertook the roles at the Association of Treasurer, Publicity Officer, myCricket Administrator, Key Log administrator and Senior Player Database Administrator. Good work, Ray!

We look forward to an enjoyable 2015 – 16 season, and look forward to seeing you at registrations at "The Fibro".

FOOTBALL (SOCCER)

Liaison Director: Dennis Hayward

The Football (soccer) Club is having a fabulous, but wet season! We have over 500 players, coaches and managers in 38 teams from Grade 6 to Over 45s. Whilst the weather has not been too kind and it feels like more matches have been postponed/cancelled than not, we are fortunate that our home ground has great drainage and training has generally been able to proceed. Half way through the season we have 13 competitive teams in the top 4 of their division, including all 3 all age ladies teams and all 5 G12-G16 teams.

Earlier in the season we had 12 coaches undertake the Grassroots Coaching Course and 14 of our coaches and managers complete the Apply First Aid course, for which we had received a Bankstown Council grant. RWFC is committed to supporting the Bill Bullard Charity of the RWC and had a bumper Bunnings BBQ that saw \$1600 kick off our efforts for this year. Our next fundraising event will be a trivia night at the Sport and Rec Club at 7pm on Saturday 18 July – all welcome.

Come and see our home games at Marco Playing fields (next to the RWC Sport and Recreation Club) and support our Platinum League boys when they play there every second weekend.

GARDEN CLUB

Liaison Director: Christine Butters

Our Garden Club continues to grow, we now have ninety members and we are a lovely mix. New members are always welcome. We meet on the first Saturday of the month (except for January) from 10am until 12 noon, in the Cabaret Room at the RWC. We have had some interesting Guest Speakers this year, including Amber Hammond, a young pianist who now travels to remote areas of the world, playing to the underprivileged and orphaned children.

At our September meeting we will hold our annual Fun Flower Show. Our members are encouraged to show something from their gardens. We have eighteen fun categories, from the smallest flower, vegetable or fruit to the largest of each of these categories. Others include specialist pots of Orchids, Bromeliads, Cactus/Succulents, and African Violets. In the decorative, there are dried, fresh floral or green arrangements. We also have a humorous category of a vegetable, seedpods etc. Our members show great imagination in this section.

Our tour organiser, Judith Cologon has planned our third coach trip for this year. August 22nd she has arranged a tour of Manly, then a nursery at North Manly, lunch at Harbord Diggers Club and then on to Palm Beach.

GOLF (MENS)

Liaison Director: John Rodwell

The winners are too numerous to mention in this short article, so readers are invited to visit our informative web site at www.rwcmensgolf.org for detailed information about our Club, news, upcoming events schedule and weekly event summary detailing results with winner's photos.

Interest and attendance has been very high during the first half of 2015. The highlights for the second quarter of 2015 were the successful Presentation Night in mid-March, conclusion of the Club Championship in late March, Revesby's challenge match against Goulburn Workers at Goulburn in April (Goulburn won), Merv Pell inter-club challenge in early May (Mounties won), the popular Cypress Lakes trip away in mid-May (Gary McMahon was the Tournament Champion) and the annual Bowls challenge in June between Revesby Golfers and Revesby Bowlers at the Revesby Bowls Club (result unknown at time of writing, however, the Bowlers are hard to beat on their home turf).

The Club Championship was played out over four stroke rounds on a variety of challenging courses (Links Shell Cove, Rosnay, Bankstown and Hurstville), and congratulations must go to Ken Little, Mark Connolly and Paul Dawkins as scratch winners for A, B and C grades, respectively, whilst handicap winners for A and B went to Greg Jones and Mark McDonald, respectively. The C grade handicap winner is yet to be determined in a play-off between John McDonald and John Lovett.

The third quarter of 2015 will see games played at established courses like Links Shell Cove, Bankstown, Campbelltown, Glenmore Valley, Rosnay and Antill Park. The main golf events will be the 2BBB Championship, the 4BBB Matchplay and the annual Lawson Cup played at Cabramatta Golf Course.

The remaining schedule of courses for 2015 are quite varied with a smattering of new courses for Revesby (such as Hilltop - Mollymook and Georges River). In addition, there are the usual good courses played, with several rounds at our home course Bankstown and a round or two at at Campbelltown, Antill Park, Glenmore Links and Hurstville.

Highlight events will be the annual clash between Canberra Workers and Revesby Workers at Mollymook, the Goulburn to Revesby return challenge at Bankstown, the International Cup at Glenmore, the President's Cup at Campbelltown, the Guzzlers Cup at Hurstville and to wrap up the year, the extremely popular Christmas 2-Man Ambrose at Georges River.

Keep your feet on the ground and happy golfing.

LADIES GROUP **Liaison Director: Christine Butters**

The Revesby Ladies' Group had three successful outings in the last quarter, firstly to the Arms of Australia Inn museum at Emu Plains, then to the Care Flight Helicopter facility at Northmead, and finally a tour of the Hungry Mile, a very interesting tour of Sydney's inner city and eastern suburbs. We were also enlightened by a number of interesting speakers during the quarter.

Our members were saddened by the passing of long-time member Elaine Armstrong, who succumbed on May 29 after a long battle with illness. Our condolences to her family and friends.

Our major annual fund raising morning tea takes place on Wednesday August 19 at 9.30am in the Macarthur Room, corner Dixon Lane and Macarthur Avenue (rear of Federal MP David Coleman's office). We are again raising money for the Bankstown Hospital, this year for the Accident and Emergency Department. Cost of entry is \$3 which includes morning tea. There will be cakes, crafts, clothing and bric-a-brac for sale, a guessing competition, raffle, and auctions of goods and services donated by local businesses. In the last 3 months the unit has been reasonably busy both on and off the water.

On the water the base was activated by the Marine Area Command during the severe low. We were asked to look for a missing yacht. We also assist Broken Bay Water police by checking the welfare of the water access only communities and gave assistance where needed. This event meant that our fuel bill for the month doubled including 240Ltrs of diesel. We called out by the Broken Bay Water police 3 times and once by Woy Woy. All on dark and rainy nights. The storm left us without electricity for over 2 weeks. We were able to operate thanks to our back-up generator.

The Unit Commander, supported by his Deputy attended the Anzac Day Service held By Brooklyn RSL Sub-Branch. We also were pleased to assist at the Big

Morning Tea for Cancer at the Mooney Mooney Club. We hosted a cub pack from Cherrybrook for look at what we do. They went away both impressed and happy. During the long week-end the new local member for Gosford Ms K. Smith visited the base and was taken on a tour of her far flung electorate. She was particularly interested in areas with water access only. Now that the colder weather is upon us we will be concentrating on our training to up skill our members as well as maintaining our vessels for instant deployment as needed, We will be improving the indoor areas of the base by painting and changing the lighting and upgrading the computer system

SMALL BOATS FISHING CLUB **Liaison Director: Terry Semlitzky**

The weather has changed but bringing on the bigger fish and even keener fishos. Our recent Greenwell Point trip saw some good quality fish and the usual comedy capers. One boat got stuck at the ramp but with a bit of forceful persuasion Gordon got it running. Another made it out there but decided it did not want to play no more and kept stopping, luckily they already had a good catch. Karl got a tow but then someone, (not to mention their name) thought it was a good idea to trawl while their boat was towing another. He thought he got a great catch but it was just wrapping around the prop of the boat being towed. Well at least it was the biggest

catch but not one to eat or weigh in. When all chaos is thought to be over, back at the ramp Purdy in his stubbies slips and slides on the ramp under the boat. Missed out on the photo but would hate to leave that vision in your mind as well. All made it back to Sydney safe and a few tales to tell.

Macca heading out in the lead on the points board so far and Pat heading up the ladies. Keep an eye on the Fisho's board down at Spence Street for upcoming events. Presentation day and AGM for members. Membership for new members and renewal open soon, so enquire now to join a club for laugh and passion for fishing. Be safe and happy fishing until next time.

SPEARFISHING GROUP **Liaison Director: Christine Butters**

On a sad note Chris Freylinger passed away on Monday 1st June 2015 Our Club would like to extend our deepest Sympathies his family. Chris was a keen diver and introduced many people to the sport he enjoyed. Chris is survived by his wife children and grand children . A tragic loss for all.

Eden this year was as big as ever with over 100 competitors signing on from 5 states. The week leading up to the comp huge seas were pounding the coast line. And right on cue. the sun shone, the wind eased and the seas dropped to a comfortable 1 meter rolling ground swell. The visibility was a gritty 2 to 5 meters visibility. In whatever direction you went. With the fish were scattered from their usually haunts it open the challenge up and made every one buckle down work for the fish they got... or didn't get.. It was a good experience for our Junior divers; Billy, Daniel, Darcy and Zeb who showed great fortitude in fishing for the whole days in trying conditions.

Garth Did the best for the club placing a 4th followed by Mario, Brad, Troy and so on . Will be back again next year.

Our next dive is in July at Bellambi, August at Callala Bay and August at Narooma
