President's Report

Daryl Melham President

The last year has been a great year for the club. Trading has continued to improve and the Commercial centre has attracted tenants who add to the sense of community that we have tried to foster. We have also seen many locals employed in these tenancies.

Dining Precinct

Members will also see that we are refurbishing our food areas. This is being done in two stages, with the first stage being completed in November and the second stage being completed by Easter 2017. Capacity will be doubled in these areas. This is all being done with minimal disruption to members. It is pleasing to see the interim bistro is being well patronised. As with all our renovations and extensions our members and guests will end up with a first class facility.

History Wall

Hopefully the History Wall will be completed by the time you receive this journal. It will include a refurbished Foundation Members Plaque, and two Henry Lawson poems will be recreated and placed outside the Sports Bar. Older members will remember the four poems that were situated in the foyer of the 1973 Club. We will also reinstate a tribute to local entertainers who made us proud; this was originally known as the walk of fame.

Bowling Clubs

The Board has resolved not to renew the lease at the Sports and Recreation Centre at Panania when it expires in 2017. The Club does not own the land and we lease it from Bankstown Council. Revesby Workers' Club has been involved in the site since 1986 when we took over the lease because Panania Bowling Club was experiencing financial difficulties. The current cost of continuing at the centre cannot be justified and there was absolutely no prospect of improvement in the future.

Revesby Workers' Club took over ownership of the Revesby Bowling Club in 2008 and we will now consolidate all our bowling activities at the one site in Revesby. This was flagged to happen in 2008. We have given almost two years notice of our decision to the bowlers. This allows for a reasonable transition. The consolidation will not take place until extensive refurbishments are concluded at the Revesby site.

A bowls advisory committee consisting of 50 / 50 of bowlers and directors has been established and will help with the transition to one club. While progress has been slow, much of the slowness has been out of the Boards control. As members would be aware, there has been an extensive consultation process on re-zoning that the Council has conducted in the local area. Nothing could be finalised until that process was completed.

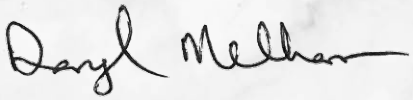
We have however been able to think long and hard about the nature and extent of renovations that we would pursue at the Revesby Bowling site. I believe that we have ended up with a proposal that members can and will be proud of.

The Board has a proud history and record of dealing with our membership. We have always been open and up front. We have always put our members first and will continue to do so. Look at what we have achieved to date.

Annual General Meeting

The Clubs Annual General Meeting is on Sunday 30 October 2016 at 10am. I encourage members to attend. I thank our Vice President John Rodwell and fellow Directors for their hard work, loyalty and friendship over the year. I thank our CEO Ed Camilleri, Managers and Staff for their commitment and service over the year.

The stability, professionalism and team work within the Club is a large part of why we have been so successful over the years. The membership is quite proud of their Club and with good reason. We have built on the foundations of those who came before us. I am sure that they would approve of what we have done.



REVESBY WORKERS' POKER PLAYERS WIN BIG AT AUSTRALIAN POKER LEAGUE

The Revesby Workers' community takes pride in recognising the diversity of the many members that achieve great success in areas of sport, career or personal goals. The Revesby Workers' community, APL and 888PL extends a big congratulations to three Revesby Workers' members who did exceptionally well at the Main Event IV held in April at The Star, Sydney.

The Australian Poker League (APL) competitors who often play at Revesby Workers' went head to head with hundreds of other poker players at the event, which resulted in great success. The highest finishing female player, Mele Poulivaati was placed thirteen and won $3,800 followed by Seba Challita who came in at tenth place collecting $7,500 in prize money. In second place, Revesby Workers' Roni Naiem won $65,000 however was no match for the ultimate winner Chris Moussa.

Mr Chris Moussa, who started playing poker at Revesby Workers' almost ten years ago, was a cut above the rest of the 426 competitors. He came out on top to improve NSW dominance of this prestigious event that was held outside of Melbourne for the very first time. After three days of great play, Chris Moussa edged out Roni Naiem in an intense battle that saw Chris walk away with $100,000 cash and prizes, including the coveted Main Event bracelet.

Australian Poker League Manager, Con Valassis, was ecstatic to see Revesby Workers' members participating and winning in the Main Event at The Star, Sydney. *"I want to personally thank everyone for their support and dedication, it is what makes these events so incredible. And, once more, a big congratulations to all the Revesby Workers' winners and Chris Moussa, Main Event IV Champion."*

The Revesby Workers' Club community would also like to congratulate Elise Brown who came second in the APL State Champs in April which was held at Revesby Workers. A final congratulation goes to Kon Kapsalis who was placed second in the World Series of Poker Playoffs in June winning cash and a $7,000 package to play poker in the World Series Of Poker in Las Vegas.

CEO Report

Ed Camilleri CEO

Hello members,

This year has been exceptionally eventful thus far and it continues to be an exciting time at Revesby Workers' with the construction of the new dining precinct in full progress.

New Dining Precinct

The building of the new dining space saw the demolition of the old Family Table Bistro and Cabaret Lounge with an extension over Health Mates Fitness Centre which has caused some noise for gym patrons. I extend a thank you to all members and guests who have responded with patience and understanding as the construction continues with every effort made to keep the noise to a minimum.

The expansion of the new dining area will soon see the opening of Firestone and Aunty Eight's later this year and Bel Cibo in early 2017 which will give patrons a new, modern and cultural dining experience that can be shared amongst family and friends. For more information about Firestone and Aunty Eight's see page 6.

Along with the progress of the new dining precinct, it is with great pleasure that I announce our new Executive Chef, Christopher McIntyre. Christopher joins the Club with over 30 years of experience in the hospitality industry as an Executive Chef and Food and Beverage Manager with roles both in Australia and internationally. To read more about our new Executive Chef see page 7.

Chefs Table

Another exciting event that took place recently was the Chef's Table finalist competition with Revesby Workers' Club chefs, Michael and Simon Nguyen and Mooney Mooney Club chefs Neil Carpenter and sous chef Chantelle Hendricks. The Chef's Table competition has provided a unique opportunity for the talented chefs, cooks and apprentices to show their culinary talents and the Club's dining venues.

Ekera Medical

I am also pleased to report that our medical precinct, Ekera, has continued to grow with several new medical practices operating to the public. On Tuesday 28 June, My Choice Dental Clinic celebrated with an opening launch which saw the first dental practice open within Ekera Medical. My Choice Dental Clinic will provided high quality dental services within modern facility offering extended opening hours, emergency cover and flexible payment options.

Do Something Day

In June, the Revesby Workers' community were involved in Do Something Day, a day supported by ClubsNSW and News Local, all about doing good things for others in the local community. At the Club, members and guests would have noticed additional books added to the Infinity Lounge bookshelf. The books were a part of the Book It Forward campaign where members, guests and staff were asked to donate a gently used or new book to the shelf for Bankstown City Aged Care and Caroline Chisholm School.

Remembrance Day

One final important announcement to members and guests is our Remembrance Day Service. In honour of Remembrance Day, there will be a service held on Friday 11 November 2016 at 10.30am outside the Club's Western Entrance at the Cenotaph. I extend a warm invitation to all members, friends and family to join the Club in a minutes silence during the service as recognition of all those brave soldiers.

As always, thank you for your patience and ongoing patronage as we continue to build a better club for all.

New Treehouse Director Appointed

Bernadette Hawkins

Revesby Workers are pleased to welcome Bernadette Hawkins to the Club as the new Director of Tree House Child Care Centre.

Bernadette has over 20 years' experience in the childcare industry and has worked at a number of organisations which provide quality care and education to children. Bernadette has worked with Family Day Care schemes, KU Children, ABC Learning Centres and YMCA.

Bernadette is dedicated to providing high quality early childhood programs that involve the collaboration of children, families and educators in planning and developing meaningful learning for all children. She is committed to creating strong relationships between educators and families ensuring all children have wonderful opportunities for learning, development and growth.

Bernadette cannot wait to meet all the children at Tree House and work alongside a team that is as dedicated as she is about providing quality experiences and education for early learners.

Remembrance Day

Friday 11 November 2016
Arrival from 10.30am for 11am service

Held outside the Club's western entrance at the Cenotaph

Remembrance Day in Australia is dedicated to Australians who passed as a result of war. Join us in a minutes' silence during the service as recognition of all those brave soldiers.

Something Extra

Local, multi-award winning artist Fay Joseph A.R.A.S. has generously donated her painting "Georges River at East Hills" to raise funds for Bankstown-Lidcombe Hospital. The donation was initiated by the Revesby Writers' Group. The fund raising is being organised by the Charity Committee, which will have this beautiful painting on display in the Club foyer.

New Dining Precinct

FIRESTONE

KITCHEN • BAR

• Alfresco Terrace • Outdoor Fireplace
• Unpasteurised Tank Beer • 90 Inch LED Screen
• Dessert and Gelato Bar
• Kids Theatre and Entertainment Room

The new dining precinct at Revesby Workers' will give members and guests a new way of meeting, eating and drinking with exciting street food, traditional meals and delectable treats all in one main eatery.

Following the opening of Firestone and Aunty Eight's, patrons will see the construction of the pre-existing Italian restaurant 'Bel Cibo. Bel Cibo Italian restaurant has acquired various culinary industry awards and plates beautiful Italian food. Bel Cibo will open late March 2017.

Firestone Kitchen and Bar will offer a relaxed casual dining experience with seating inside for up to 300 people which will flow into an adjoining alfresco terrace catering for up to 170 people. The alfresco terrace will include an outdoor fireplace, lush garden beds and hanging greenery, exposed brick and stone surfaces. The purpose built roof system will be designed to allow diners to enjoy natural light, whilst being protected from the outside elements.

The relaxed, family friendly atmosphere of Firestone will be accompanied with flavoursome food from an extensive menu offering traditional classics with a modern twist, hearty favourites like burgers, pizza and pasta, fresh seafood, an expanded grill selection, shared plates, and to finish an overindulgent dessert and gelato bar. The cookery will take place in an open plan kitchen which will create a welcoming focal point for guests to enjoy the culinary skills of the talented chefs. The Firestone kitchen will seamlessly meet the bar that will showcase copper tanks of unpasteurised beer and a variety of specialised beverages.

The family dining experience would not be complete without entertainment for the little and big kids too. Firestone will include a kid's theatre and entertainment room best for children three years and above. The room will feature a huge LED screen for movies, a silent zone for children to read and a game zone with an assortment of gaming consoles.

Aunty Eight's

vietnamese

Aunty Eight's Vietnamese will be a contemporary transformation of the previous noodle bar with a focus on traditional Vietnamese culture and communal dining. Aunty Eight's will offer an oriental inspired experience with authentic Vietnamese street food produced in a theatrical open view kitchen.

The look and feel of Aunty Eight's draws inspiration from a Hawker Centre or cooked food centre where authentic Vietnamese street food is created in stalls, using locally sourced produce. The Hawker Centre provides diners with either common shared or stall dedicated tables and chairs which will be reflected in the unique design through long tables, metal stools and wall length booth seating.

The theatrical kitchen will give diners a window into Vietnamese culture where animated chefs will create authentic dishes, just like those made at a Hawker Centre. The glass panels and open view of the kitchen will bring the traditional street food experience to the dining room with aromas of fresh herbs, meat, seafood and spices.

CHRIS MCINTYRE

executive chef

Revesby Workers are pleased to welcome Christopher McIntyre to the club as the new Executive Chef. Chef Christopher joins Revesby Workers at an exciting time as the new dining precinct nears completion and moves toward the grand opening.

Chef Christopher has over 30 years' experience in the hospitality industry in a diverse range of operational positions as an Executive Chef and Food and Beverage Manager. He has worked in many areas of the hospitality industry including hotels, resorts, restaurants and clubs.

He will be hands-on in the kitchen, cooking and leading the talented team of chefs at Revesby Workers. He will be responsible for the creation and innovation of new menus within the new dining precinct.

Christopher is a dedicated chef who is passionate about plating beautiful food from locally grown produce. He will bring his culinary skills into kitchens of the new dining precinct with a focus on delivering exceptional food. Christopher will lead the team in creating extraordinary meals to meet and exceed the expectations of patrons for a whole new dining experience.

"I firmly believe in creating a great workplace and building a caring culture within the Food and Beverage department - where we can build strength in each other and grow as a whole."

"I believe that a menu should reflect both the passion of the chef and the identity of the restaurant".

We welcome Christopher and look forward to tasting his exciting menus.

Community Service

Dennis Hayward Director

What a great match; Revesby Workers' Club and the community.

This year Revesby Workers' Club are to provide the sum of $420,000 to organisations from our local area under the ClubGRANTS scheme, Category 1 section. This program allows for direct involvement with community organisations leaving Category 2 of the scheme for the support of sporting teams, sub clubs and other special purposes to assist members and their families.

Our ClubGRANTS subcommittee have, with other member Clubs of the Bankstown group, investigated some one hundred and fifty applications from these community organisations that had submitted requests to Bankstown Council covering all types of projects from installing safety lights for the elderly in a car park to assisting in the aged care system and also providing specialised equipment for disadvantaged, special needs school children.

The diversity of the grants provided by Revesby Workers' Club is immense with our decisions to support areas generally in the south and south west of Bankstown. The Club supports groups such as Life Education (Harold the giraffe), Bankstown City Aged Care building fund, Broderick Gillawarna School with a grant to enable disadvantaged students access to basic kitchen appliances and become better able to be self-sufficient in the home, to a sewing group who provide items to those in need.

A complete listing of the projects supported is available for your perusal on page 10.

The Revesby Workers' Bill Bullard Charity Committee will be presenting Bankstown Hospital with the results of the year's fundraising on Friday 9 September 2016 in the Club function rooms. Along with sub club executive members and dignitaries we envisage a sum of around seventy thousand dollars in equipment will be presented to the General Manager and staff from the hospital.

Through the year the Football Club have conducted a number of fundraising events and have spent time at the hardware store with BBQ's and along with the Bowling Club who worked tirelessly on the fun day at the Sport and Recreation Club, raised a considerable amount. The Netball Club and Bankstown City Netball Association as a team supported the charity on a number of occasions and the annual bucket day at Deverall Park was supported by players and parents from all netball clubs in the Bankstown area.

On behalf of the Charity Committee I would like to convey my thanks to all who have contributed to making this very substantial amount available to procure the specialised equipment for Bankstown Hospital. It is our community hospital and your support is extremely important to advance the provision of good service provided by the staff.

We look forward to announcing the charity for the 2016 – 2017 year at the Charity Finale.

On September 2016 the Illawong Senior Athletic Club will be conducting a fun run at Kelso Park, Panania, in aid of the Charity Committee. Keep an eye out for information regarding the run and come along to participate or donate to this worthy cause.

A little later this year on 15th October 2016, the annual Trivia evening will be held at the Sport and Recreation Centre, with great prizes. Contact Terry or Sue on 9774 2653 for information and bookings as this night is always well attended.

Many thanks,
Dennis

D. J. Hayward.

ClubGRANTS

Revesby Workers' Club have provided many local organisations with funding through the ClubGrants program to assist with creating better opportunities for the community.

In 2015, Revesby Workers' Club donated $7000 to Life Education NSW which went toward providing better support and educational resources for schools. The funding allowed Life Education to provide additional learning resources such as workbooks, posters and more recently new digital technology.

This year, Revesby Workers' have contributed another $10,000 which will go toward improving the Mobile Learning Centre's with an upgrade in technology by installing ESmart Touch Screens. Life Education will also focus of further developing educational programs for secondary schools to educate teenagers on the consequences of drug and alcohol abuse.

Life Education NSW is the largest independent health and drug education provider for school children from preschool, primary and secondary school visiting 640,000 children each year. Life Education's Mobile Learning Centre travels to schools in the Bankstown area with iconic mascot, Healthy Harold, teaching children to make informed life choices, around such issues as bullying, cyber safety, drugs and healthy living.

Fundraising Manager, Lillian Adnan says that the funding will help many children become more engaged within the learning centres."Life Education is so thankful to Revesby Workers' Club for taking the lead in assisting us in educating local children in the Bankstown region. We want to see every child in Bankstown armed with the tools to make healthy choices in their lives."

Through ClubGrants, Revesby Workers' have supported hundreds of local organisations to develop services to better the lives of others in the community.

This year, Revesby Workers' Club have awarded the following recipients with much needed funding in 2016:

- ***Australian Foundation for Disability***
- ***Autism Spectrum Australia***
- ***Bankstown Canterbury Community Transport*** *- 3 projects funded*
- ***Bankstown City Aged Care***
- ***Bankstown Community Resource Group*** *- 2 projects funded*
- ***Bankstown Hospital***
- ***Bowel Care Australia a Division of Cancercare***
- ***Broderick Gillawarna School*** *- 2 projects funded*
- ***Caroline Chisholm School***
- ***Coolaburoo Neighbourhood Centre*** *- 2 projects funded*
- ***Life Education***
- ***Little Wings Ltd***
- ***Midnight Basketball and Twilight Soccer***

The Great Walk for Breast Cancer

Over many years Revesby Workers' Club have given generously to various charitable organisations that are committed to making a positive change to the lives of others.

Recently, overwhelming support from the community has seen Revesby Workers' Executive Manager, Facilities, Simon Melham and his sister-in-law Diana Melham, raise $71,108.00 for the National Breast Cancer Foundation, whose goal it is to have 'Zero Deaths from Breast Cancer by 2030! *"When Diana told me this year she would be raising money for the National Breast Cancer Foundation and that it involved trekking the Great Wall of China - I was sold!. Our fundraising campaign kick-started when we received a very generous donation of $5,000 from Revesby Workers' Club. The support from the Board of Directors, Management and staff throughout the entire campaign has been truly overwhelming".*

Fundraising Events

Team Di & Si held two major fundraising events. Firstly, a Chinese themed variety night held at Revesby Workers' Club with over 200 people attending and raising an outstanding $15,113. In April, they held a Try Shooting event hosted by Sporting Shooters Association of Australia (SSAA) at the St Marys Indoor Shooting Centre. The event involved more than 140 people and over 50 volunteers and overall the Try Shooting event raised a staggering $14,340.

The Great Walk

On May 19, Team Di & Si headed to China for the adventure of a lifetime that would see them walk The Great Wall over five consecutive days. The trek along the Wall provided many challenges including navigating rough and uneven surfaces, countless steps, inclines, declines, wild weather, undulating terrain and physical exhaustion. Equally, there were many highlights including the excitement of standing on top of one of the Seven Wonders of the World, breathtaking views, many cultural experiences and everlasting friendships.

"We shared this amazing journey with several women who had overcome the fight against breast cancer. These women were inspiring, heroic and truly put into perspective the real reason why we all decided to take on the challenge" .

Overall, the trek covered 54 kilometres; 20.25 hours; 84,926 steps and 835 flights of stairs.

The Final Step Forward

The Revesby Workers' Club community, SSAA communities and many other sponsors have proudly supported the big efforts of Team Di & Si through their fundraising events and by following their journey along The Great Wall of China.

The total funds raised for the National Breast Cancer Foundation by Team Di & Si came to **$71,108.00** and the total funds raised by the 45 participants who trekked the Great Wall of China in May 2016 was a massive **$289,023.00**, the largest tally ever by such a campaign.

Simon and Diana would like to extend an enormous THANK YOU to all those involved in making this fundraising campaign such a success for the National Breast Cancer Foundation and can only hope that the goal of zero deaths by 2030 is achieved.

Myths & Misconceptions

'Working out at a gym'

MYTH: You need to be fit and/or slim to join a gym

We hear this one a lot; *"I just need to lose 10kg and then I'll start working out at the gym".*

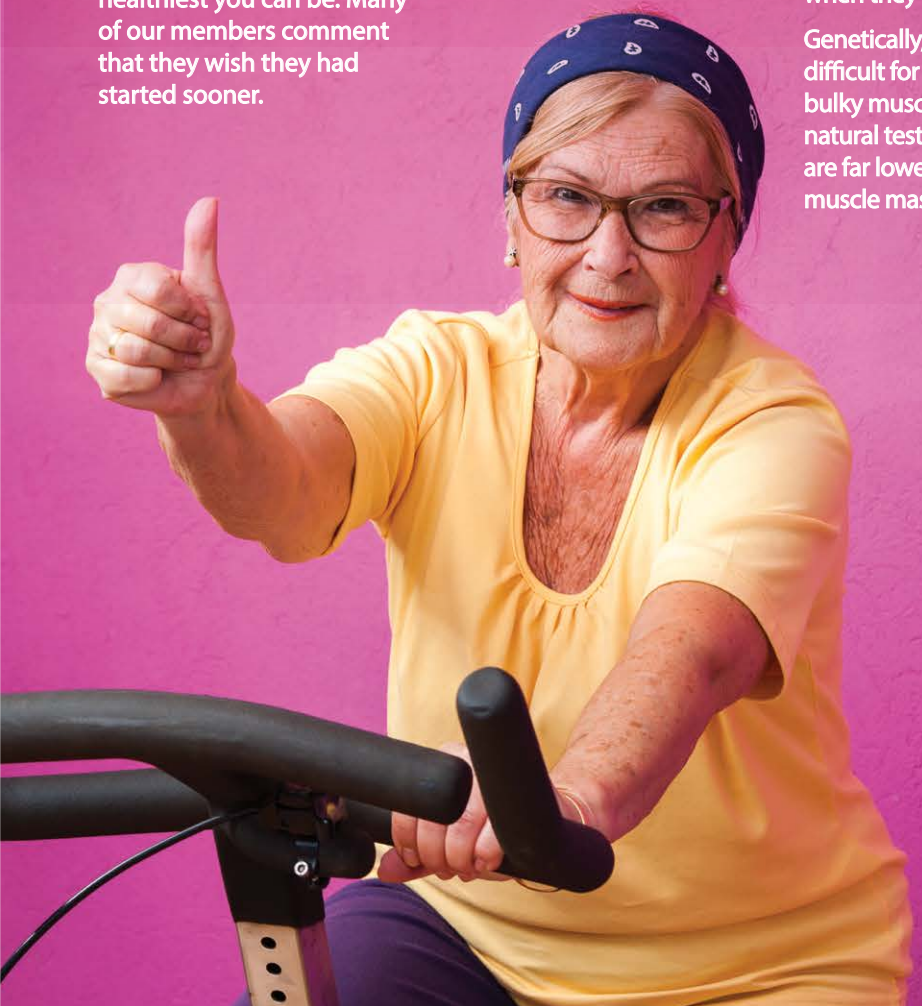
Our highly qualified team are ready and willing to help you get started. Whether you've never exercised or been to a gym in your life, or are a savvy trainer, we can ensure your workouts are time efficient and catered to your needs and capabilities.

Visit us and you'll see for yourself that we're not about the "body beautiful"… but we are about giving you the tips and tools to be the healthiest you can be. Many of our members comment that they wish they had started sooner.

MYTH: You need to be flexible to do Yoga or Pilates

Yoga and Pilates classes involve many stretches that assist your body to move freely. These classes are not competitive and encourage you to move to your own ability.

When working on mobility, we advise you take each position to a point that feels right for you. It's not about anyone else! Other benefits you'll experience from these classes include muscle strengthening, improved posture and core control, plus a reduction in stress.



MYTH: You'll gain massive muscles by doing weight training.

This is often a misconception among many female gym goers, who cling to their favourite cardio machines.

Yet, lifting heavy weights does not cause explosive muscle growth for men, and especially not for women!

In truth, large muscles are simply not grown by accident. It requires consistent progression in weight, coupled with a caloric surplus diet to support muscle growth. Many men struggle to achieve this balance even when they are trying.

Genetically, it's far more difficult for women to build bulky muscles since their natural testosterone levels are far lower, making adding muscle mass challenging.

MYTH: A one month membership is a good test to see if it works for you

To see and feel the real benefits of exercise it needs to be consistent and built into your lifestyle, and certainly not have an end point.

By coming along for just one month, you'll gain some small improvements, but generally not enough to motivate you to remain active on most days of the week, for the rest of your life. In some cases, it may even be a deterrent if you come along with false expectations that your body will be transformed in 30 days.

Exercise needs to be like brushing your teeth; you do it regularly to reap the benefits of a healthy mouth and teeth, so why not do the same for your whole body? Have you ever heard anyone say "try brushing your teeth for a month, if you like it and see the benefits you can continue, if not, just stop"? Crazy right?

Our one month memberships are ideal for those who already incorporate other forms of exercise into their lifestyle, but may be taking a break (eg off-season for their regular sport) or are perhaps visiting for a short period only

Visit us or contact us on 8707 6930 for further info about membership and what Health Mates has to offer you.

Tree House News

CARPENTRY

As many of the children across Pre-Kindy have already shown interest in using tools at some point on their journey through The Tree House and quite a few telling stories of how they help out at home, we decided to add them to our outdoor play space in secret to see what unfolds. Nails, hammers, screws and screw drivers were added to the space alongside the vast variety of loose parts including bottle caps, empty coffee pods, recycled plastic and cardboard and a selection of natural loose parts as well as the supply of tape, glue, scissors and crayons.

With such a large variety of resources we wondered would it take a while for the children to discover tools had been added? The main interest at first seemed to be practicing with the hammers and nails, using thick chunks of bark as planks of wood. Then after gaining some confidence, the children included different pieces from the collection of loose parts with paper plates, bottle caps, coffee pods, gum nuts and corks among the most used pieces in addition to the bark. The children are gaining confidence each day in this area as they further develop their ability to use the tools effectively as they build and create with a variety of resources. The children have also been fantastic in regards to safety and always take care to handle each item carefully and watch their fingers when hammering in those nails. With so many interesting creations already being made so far, we're excited to see what the children come up with next.

Meet Our New Additions

The Centre has recently adopted two, six month old male rescue guinea pigs. The guinea pigs will reside in their new hutch based in the Pre-Kindy yard. After a few days discussion by the Pre-Kindy children it has been decided our grey/black guinea pig will be called Merlin and our orange/brown and white guinea pig will be called Simba. The children and staff are very excited about the arrival of our new guinea pigs and the younger children will have the chance to go upstairs and visit the guinea pigs in the coming weeks and perhaps the guinea pigs will make a special trip downstairs to see the children!

Value of Nature and Outdoor Play

Today's children and families often have limited opportunities to connect with the natural environment. Richard Louv called this phenomenon, 'nature-deficit disorder' in his book, The Last Child in the Woods.

In the past decade, the benefits of connecting to nature have been well documented in numerous scientific research studies and publications. Collectively, this research shows that children's social, psychological, academic and physical health is positively impacted when they have daily contact with nature.

As children observe, reflect, record and share nature's patterns and rhythms, they are also participating in a process that promotes scientific and ecological awareness and an understanding of nature that will help our children – the next generation of leaders and decision-makers – respond to looming environmental challenges such as the impacts of climate change.

The Tree House Early Childhood centre values the importance of outdoor and nature play and ensures it is deeply embedded into our program all year. The children are encouraged to play outdoors all year, provided they bring the correct clothing. The outdoor environment at the centre paves the way for exploratory understanding of themselves, the world around them and their place in it. It allows the children to familiarise themselves with their sense of being, affords opportunities to secure respectful and reciprocal relationships. The environment also allows children to acknowledge their interdependence with others building strong positive relationships, which nurture each child's sense of being, belonging and becoming. These are a few examples of our outdoor and nature experiences to date.

Our staff

As a large employer located predominately in the South West of Sydney, Revesby Workers' is all too familiar with the unfortunate statistics that highlight the level of unemployment in our surrounding area.

Sydney - South West
We have 275,600 of working age population (15-64), with an overall unemployment rate of 7.0%, and a Youth (15-24) unemployment rate of 9.3%.

Source: Australian Government Department of Employment – April 2016

As both a responsible employer and community Club, we took the opportunity of participating as an exhibitor at the Annual South West Sydney Jobs and Skills Expo. This Expo attracts thousands of visitors each year, from students looking for their first job, mature age returning to the workforce, people seeking a new career path and everyone in between.

Whilst many industries were represented at the Expo, we were pleased to find the level of interest in attendees wanting to know how to start a career in the hospitality industry, what is the Club industry all about, and who is Revesby Workers'? All worthwhile questions which our team of human resources professionals were only too happy to address.

Since the June Expo, the human resources team have fielded many enquiries via email and phone from potential applicants, with already a couple of applicants on the cusp of becoming part of Revesby Workers'.

The opportunity to present what we do as an employer, as a community organisation and importantly as a local employer is not lost on our management team or staff, and we look forward to continuing to do our best for the South West of Sydney.

This terrific event is an initiative of Bankstown City Council and is supported by it partners Australian Business Academy and the Torch newspaper.

ATHLETICS (JUNIOR)
Liaison Director: John Rodwell

We held our AGM on May 9th and we warmly welcome two new committee members Les Rolls and Bree McGraw.

Our last season 2015 – 2016 was successful with the hard work and dedication of our committee members and many parent volunteers each week.

We will require parent participation in the new season to continue to provide a safe and friendly environment to our returning athletes and new members.

Revesby Workers Little Athletics Centre promotes fun, fitness and skills development in a friendly competitive environment while encouraging family participation, community spirit and values.

The new season of Little Athletics 2016 – 2017 will commence Friday, 2nd September 2016 and runs through until 10th March 2017. Children will engage in running, jumping and throwing events in accordance with NSW Little Athletics guidelines with the opportunity to compete at carnivals outside our centre as well as in regular Friday night competition.

Registrations will open online from 1st August 2016 via our website www.revesbylac.org.au, registration nights will be held on Friday 19th and 26th August 2016 at Western Sydney University (Bullecourt Avenue, Milperra) Building 18 from 6pm - 7pm.

Registration fees are a one off cost each year with no weekly fees involved. Uniforms are purchased from the centre during the registration period. A small amount of fundraising is in the planning to assist in the purchase for the end of season awards and to keep our equipment up to date.

For any information or enquiries please contact Christine on 0413 886 431.

AUSTRALIAN NATIVE ORCHID CLUB
Liaison Director: John Rodwell

IFor some time the Sydney region has been experiencing an unusual weather pattern which is having a profound effect on plants and shrubs in our gardens. Some of these are flowering out of season, with Autumn running into the Winter months. The effect on orchid plants will not be known until flowering time from July through to October.

Members are preparing their orchids for the coming flowering season and the various orchid shows throughout Sydney.

The Club will be again be holding two Spring Shows as follows:-
September Spring Show for 2016 will be held in the Atrium area of the Revesby Workers' Club on Sunday, 11 September from 9 am to 3.30 pm and will feature Australian Native Dendrobium species orchids and their colourful hybrids. Plants will be offered for sale at this Show. These orchids, such as the yellow rock orchid, usually flower in early September and are found in many yards throughout the Sydney area. They are easy to grow and flower.

The October Spring Show for 2016 will be held at the Club's Sport and Recreation Centre, 22 Homelea Avenue, Panania on Saturday, 15 October from approximately 9 am to 3.30 pm. In 2015 there was an impressive display of over 500 flowering plants exhibited. The Show will feature Sarcochilus species orchids and their colourful hybrids and it is expected that there will be a large number of plants for sale and growing accessories at reasonable prices.

Revesby Workers' Club Members are most welcome to attend these Shows and discuss any problems they might be experiencing with growing their Australian Native Orchids.

Good growing.

BOWLS – LAWN (LADIES)
Liaison Director: Ian Stromborg

It is my pleasure to once again report on the activities of our Women's Bowling Club. Since my report in the last journal the following events have taken place:

At the Georges River District Pennants our Grade 4 players won the District Flag for this grade – it was a 8 week competition against other clubs in their district.

As a result of this win on 31st May and 1st June the girls had to go to the Region 14 Playoff. This was held at Western Suburbs Leagues Club with a game against Landsdown District represented by Cabramatta Bowling Club and then a game against City West District represents by Western Suburbs Leagues Bowling Club. Unfortunately we were unsuccessful in both games. However, congratulations are given to them for getting this far in pennants.

May 18th and 19th P. Tate, F. Hadden and M. Pullen were in the semi final of the Georges River District Triples Championship, however, they lost to a Grandview team.

May 19th we held our annual Biggest Morning Tea for the Cancer Foundation and $1050 was raised towards this great charity. Also a big thank you to our Men's Club for their generous donations. June 2nd the final of our Club Major Singles Championship was held with P. Tate defeating M. McKinley - congratulations Pat.

June 17th was our President, Officers and Friends Day – This was Lyn Gallant's second President's Day and it was also a day to say thank you to our Executive and Committee members for the work they did during the past 12 months. The club, as usual, was decorated so beautiful. We played our usual game of bowls and then came in and had a very nice meal supplied by Revesby Workers' Club.

It is sadly with regret we announce the passing our three of our older members. Two were life members and one our past Patron. Corrine Wright, our first life member, was a member of club in its early days and had served as President, Secretary and other positions in the club in the 1980/1990s.

Gwen Walker was a member since the early days and had served as President and other positions back in 1980/2000s. She also was Patron of our club for many years before ill health took over and she had to move to Melbourne.

Doreen Airey was a Life Member and also served in our club in its earlier days for many years in various positions and was also for many years on the committee of the Georges River District. They will all be sadly missed.

Any ladies wishing to take up Lawn Bowls are most welcomed and should contact our Secretary Pat Tate 97310957.

BOWLS – LAWN (MENS)
Liaison Director: Ian Stromborg

The final of the Major pairs championship was played at Spence St on 22/May between the teams of John Banes and Steve Jackson versus Adam Whalan and Geoff Barron and as they say in the classics it was a game of 2 halves, which is a profound statement to say the least and not exactly rocket science. But there was good reason for this simile, because after 12 ends Jackson/Banes were leading 20-10, and they could be forgiven if they were mentally rehearsing their victory speech. They were well in command and if you were a betting man you would be very happy at the half way mark. But a remarkable change came over the game in that second half, for one thing Geoff stopped limping after popping a couple of pills, "Panadol" said Geoff, yeah right!, as he downed that schooner as well.

It must have had the desired effect on his "gout" as both he and Adam started to claw their way back into this match and at end sixteen, they had got back to 20-19, and after end 18 they hit the front for the 1st time 21-22. On the last end Jacko tried hard to take it to golden point with his last bowl but it went wide of the mark and Adam and Geoff ran out winners 24-22. Congratulations a big turnaround after the 1st half hiding, a great fight back. As Shakespeare said "it's not over till Geoff stops limping." Or something like that. After the game Geoff offered a specimen, but no committee man could be found to handle it. That's it! Specimen flushed. Case closed! Winners declared. Panadol, hmmm.

The final of the Minor Pairs championship was played at Spence St on May 22nd The contestants were Dave and Robert Adam (aka the Adams family) versus Glenn Miller and Bruce Kirkaldy now known as the Munsters (or monsters). The latter pairing spoilt what could have been a fairy tale ending by beating this $5,000 to $1, crowd favourite pairing of father and son. Father, Dave now into his 90's has found some long lost form since taking to the robotic arm and would have loved to have won with his son Rob who plays about twice a year (or less). They have been underdogs in all their games and have taken a few "names" down on their way to the final.

They have fought well above their weight and deserve praise for their effort. On the other hand the other pairing were way too good, but it was David v. Goliath all over again, but this time David's robotic arm was not as good as the old slingshot that the Biblical David used. Goliath being Bruce our greenkeeper, is responsible for the marvellous greens that we love to play on and his lead Glenn, they have formed a formidable combination and were not taking prisoners today. They were the best team in the whole competition and we salute them sincerely – but jeez it's like shooting Bambi, or strangling Mary Poppins. It could have been Liecester F. C. all over again. But they can all feel very proud of their achievments. It was a wonderful contest. Congratulations to all. Ah, don't ya just love this game.

Special mention to some of our newer bowlers who are doing quite well and making a name for themselves, such as Paul Kirgan, Helder Pacheco, Col Backhouse, Kevin Ryan. All have'nt been playing very long, but are doing quite well, Paul has won the minor singles already and made the semi finals of the triples championship, not bad for a beginner. Helder hasn't won a championship yet but has made the finals of a few, his turn will come as those fluffy black and white "ferrets"of his are now finding the jack more consistently, he will be famous one day (at the fibro). Kevin Ryan and Col Backhouse are the best trainers in the club and are always practicing their game. Will Maxwell is another up and comer who is keen and so too is Patrick J. Martin (himself). Both of these guys have potential and we should get some good results out of them in the future. The great Gary Player said "the more I practice the luckier I get ".Keep it up fellas your time will come.

We are also very lucky to have executive officers in our club of the calibre of Pres. Ray Hopkins, Vice Pres's, Denis Gallant, Darryl Oehlmann, Dave Raper, Hon Sec Doug Hawkins and our living treasure(r) Steve Jackson plus super coach Col Flack. All these guys work their butts off for our members and put in many hours over and above the call of duty. They provide great inspiration for all our members and deserve our praise for their efforts. We are fortunate to have guys of their quality. It gives all us members encouragement to support the club whenever we can.

Pennants 2016 has come and gone and it wasn't our best ever season, but we had a lot of fun playing against other clubs at home and away. We won some and we lost some. We did our best and that's all we can ask for and there is always next year.
We missed out on the Golfers versus Bowlers annual day this year owing the the fierce weather we had on THAT June weekend. They are keen to find a new date for this year but both clubs have busy programmes for the remainder of 2016 and it looks like "the tradition " will have a break this year. We have been lucky in previous years. "The tradition will continue" but it might have to wait till next year.

The 2015-16 summer season was another great season for Revesby Workers Cricket Club! We had 3 junior sides (U11, U13 Maroon, and U16 Maroon) and 3 senior sides (A, A Reserve White, and D Grade Maroon) make it to their grand finals, with the U11s, U16 Maroons and D Grade Maroons successfully taking out their premierships. Congratulations to these teams.

The U13 Maroon, A Grade and A Res White all narrowly lost their grand finals in very tight matches. Congratulations on these teams as well, on great performances over the season. After the junior and senior grand finals were completed, players frequented the Sports & Rec Centre to socialise and enjoy a BBQ. Great to see good numbers in attendance.

The 1-day shield matches for each senior grade, held on completion of all 1-day matches, between the teams that were sitting in first and second place on the 1-day ladder were also successful for the Club, with the A Grade, A Res Maroon and D Grade White victorious. Congratulations to these teams as well.

The 2015 -16 Presentations were again well attended. Congratulations to the following Award Winners:

SENIORS: Bowling, Chris Caccamo C Grade (36 wkts @ 11.97 ave), Batting, Andrew Hunter A Reserve Maroon (517 runs @ 30.41 ave), President's All Round Award, Jared Leichsenring A Reserve White (590 runs @ 49.17 ave & 17 wkts @ 22.47 ave).

JUNIORS: Bowling, Luke Saunders Under 16 Maroon (18 wkts @ 9.33 ave), Batting, Matthew Simpson Under 16 Maroon (350 runs @ 70.00 ave), Junior All Round performance Arnav Raina Under 11 (229 runs @ 229.00 average, 9 wkts @ 8.67 ave).

Congratulations to Dean Caccamo, Adam Cambridge, Lachlan Willmore and Michael O'Leary (juniors), on racking up 10 years – so young!…. and to senior players Chris Caccamo, Paul Caccamo, Jeff Endicott, Andrew Hunter, Josh Miles, Vince Miles, Andrew Pittman, Troy Shean, Murgesh Sukumaran, Vicknesh Sukumaran and Baylie Floyd on their ten years with the Club.

GARDEN CLUB
Liaison Director: Christine Butters

New members are always welcome. We meet on the first Saturday of the month (except for January) from 10am until 12 noon, in the Whitlam Room at the RWC. We have some interesting guest speakers, raffles and prizes of gift vouchers.

April, we had, Clare Clark and Ron Norman from Bankstown Community Transport speak to us. We had a follow up for May, due to interest.

Each month we try to encourage our members to show something from their gardens, a pot or a cut or to show off their decorative skills in floral or green arrangements.

Our tour organizer Judith Cologon has planned a day trip to The Ebenezer Church, at Pitt Town. This church was the first non-conformist, then Presbyterian Church in Australia, est. 1809. We will have a tour of the church and a home cooked morning tea. We will proceed to Windsor and then to Richmond Club for lunch. On the way home we will stop in a Prospect Nursery. Date, 2nd August 2016, cost $50. This includes coach, morning tea, lunch and a good time.

GOLF (MENS)
Liaison Director: John Rodwell

The winners are too numerous to mention in this short article, so readers are invited to visit our informative web site at *rwcmensgolf.org* for detailed information about our Club, news, upcoming events schedule and weekly event summary detailing results with winner's photos.

Interest and attendance was extremely high during the first half of 2016.
The second quarter of 2016 saw the conclusion of the Singles Matchplay Championship with George Lattouf victorious over Ken Little in the deferred final, Rossco Hamer taking out *"The Last Man Standing"* trophy and the 2BBB Championship going to the winning team of John Varrica and Phil Kilazoglou.

Representative games saw a mighty Revesby Workers' team conquer Mounties, Blacktown Workers' and Cabramatta Leagues to take out the coveted Merv Perl inter-club challenge for 2016. In addition, Revesby defeated Goulburn Workers' in the annual *"Pig's Arse"* trophy and ensured the trophy stayed in Goulburn.

Unfortunately, the annual Bowls challenge in early June between Revesby Golfers and Revesby Bowlers at the Revesby Bowling Club was cancelled because of the east coast low pressure system that swamped Sydney.

The third quarter of 2016 will see games played at established courses like Bankstown, Campbelltown, Rosnay, Glenmore Valley (Links), Rosnay and Hurstville. The main golf events will be the 4BBB Matchplay Championship and representative matches in October against Bankstown Sports Club at Liverpool Golf Course and Canberra Workers in Canberra

The remaining schedule of courses for late 2016 are mainly established venues like Bankstown, Campbelltown and Glenmore Valley, however, there will be a visit to Riverside Oaks in November to spice things up a bit.

Highlight events towards the end of the year will be the Lawson Cup at Bankstown, the Oakdale-to-Revesby challenge at Bankstown, the International Cup at Glenmore, the President's Cup at Riverside Oaks, the Guzzlers Cup at Bankstown and to wrap up the year, the extremely popular Christmas 2-Man Ambrose at Bankstown.

Keep your feet on the ground and shoulders rotating.

MARINE RESURE - HAWKESBURY
Liaison Director: Dennis Hayward

Statistics:

Year to end June	*2016*	*(2015)*
Vessels assisted	*38*	*39*
People moved to safety	*84*	*120*
Recorded Duty Hours	*7,123*	*5,958*
Fuel Consumed	*$5,953*	*$6,719*

The first half of the year has seen the average of vessels assisted remain the same as last year. However the trend to more small vessels being registered continues. The 140% increase in Duty Man Hours was mainly due to training of new recruits and re-qualification of senior members. The reduction in fuel was the result of one rescue vessel being out of action.

The Unit AGM was held in June. Unit Commander Merv Collins stood down owing to ill health. Merv served for 4 years as Deputy, then Unit Commander during the change over from the old to new administration and training regimes. Regional Commander Chris Gillett commented. *"His steady on going application to duty and concern for individual members has developed Volunteer Marine Rescue Hawkesbury into one of the most respected units in the state. We all look forward to Merv's early return to duty".*

Deputy Unit Commander Ken Edwards was elected unopposed to the position of Unit Commander for the next 2 years.

The new team is:

Winter will see our volunteers bring our equipment up to scratch. Thanks to the generosity of Revesby Workers' and The Mooney Mooney Club rescue vessel HW22 is ready to return to duty. The complete rewiring of the communication centre will be undertaken thanks to a Community Grant of $5,000.
Users of the Parsley Bay Boat Ramp at Brooklyn should note that it is closed for a major overhaul until September. Also there will be restrictions on the recreational use of the river on the week end of the 29th and 30th October, for the Hawkesbury Canoe Classic, which is an overnight charity paddling event between the Windsor and Wisemans Ferry and then onto the Hawkesbury River Bridge (Peats Ferry Bridge). Also the week end of 26th and 27th November when the Bridge to Bridge Ski race will be run over the same course but in the opposite direction.

REVESBY WRITERS
Liaison Director: John Rodwell

The June meeting was very special. One of the long term goals of the members of Revesby Writers was to have a selection of our stories published. We have achieved this goal. The distribution of the newly printed books on Saturday, the 4th was an exciting time. The book, 'The Revesby Bus', contains a collection of our short stories. This is the first time a book has been published under the name 'Revesby Writers'. I congratulate and thank all who contributed to the book and a very special thanks to those who were involved in the formatting and printing processes. One of the most important aspects of publishing this book is the skills and knowledge we gained; because the members of the group have decided to immediately commence selecting their new stories for our next book.

One of our members, Madeleine Pizzuti who grew up in England has returned to the village of her childhood for a short time to launch her first book 'Tell Me a story'. The stories are about her childhood. We are proud of Madeleine and delighted that she has acknowledged and thanked the Revesby Writers for our support and encouragement. She has inspired other members in our group to investigate having their work published.

One of our members, Shirley introduced me to the well-known and very talented artist, Fay Joseph A.R.A.S. Fay a local artist invited us to her studio to choose a painting that she then very, very generously donated to the Revesby Writers. Selecting the one we liked best was an extremely difficult decision to make. After admiring so many

outstanding works of art, we decided on an exceptionally beautiful, realistic image of the Georges River. Fay is a full time artist who has won many awards. Her paintings have been exhibited both in Australia and Overseas. Her profile and colour plates of her paintings have featured in many publications.

Her painting has been given to 'The Bill Bullard Charity Committee' to help with their annual fund raising for the Bankstown Hospital. Once again thank you Fay for your most generous donation. I am enjoying our successes and the quality and variety of the stories that the members write. If you enjoy writing or have always wanted to write visit us at one of our meetings. We meet on the first Saturday of each month (except January and December) in the Macarthur Room, 20 Dixon Lane, Revesby, between 1pm and 4pm. You will be welcome.

SPEARFISHING GROUP
Liaison Director: Christine Butters

Despite the biggest seas recorded and flooding rain The Annual Eden challenge went ahead with only a couple of members not participating. Eden recorded swells of 17.4 metres, which is some sort of record. The swells were that big it took out the wood chip loader, swept away another wharf, pounded several boats into scrap and boulders were swept over the boat ramp car park like marbles. It was big.

The comp was delayed for a day and the swell abated to a comfortable 1 meter and water cleared up slightly, from zero to at least 3 metres. New "honorary" Revesby Member Rhys Duncan won the day narrowly, by fractions of a point ahead of past winner Murray Peterson from Vic Troy runner up veterans, Ric runner up Grandmaster to another Honorary Revesby Member Dave Davies. Maddi runner up in the Lady's and sons. Dan third in Juniors and young Will taking out Sub Juniors. Zeb won the wetsuit on the lucky door prize.

This year Eden wasn't the dive feast we normally experience but all that stayed had a great time, either 4WD, bush walking, Jazz festival or master class's in recreational drinking and eating. The club BBQ was a big hit at the new venue.

The club put on a junior development day at Wombarra, special thanks to long time member Mel Brown who brought along some of his extensive collection of Spearfishing History, some very early Superguns - gas, spring and rubber powdered, Hand made dive masks and snorkels and early flippers. Back in the day if you needed gear you made it yourself. Also along was Garth, Mark and Troy who lent their experience to all members both young and old that attended.

Next dive is Bellambi then down at Jervis Bay. If you are interested in improving your spearfishing, eating fresh sea food and seeing more of our great coast line give Brad on 0438 510146 or Troy on 0438 501812 a call.

All the best.

TOASTMASTERS
Liaison Director: Christine Butters

Most people spend lots of money and time getting their bodies into shape so they can make a good impression on work colleagues, friends, family and partnerships; yet forget to devote any time to improving their communication skills. Developing greater self-confidence will lead to better communication skills. Revesby Toastmasters has been helping people achieve these results for many years.

Congratulations to Roy Ashpole for achieving his 40 years membership and helping thousands of people improve their self-confidence.

Recently Revesby Toastmasters conducted a 10 week Youth Leadership program at Riverwood Air League for 20 cadets ranging in age from 8 to 18 years. Thank you to Roy Ashpole and his team for your hard work helping the youth in our community.

We would like to welcome our new members Ankush Chavan and his son Ajay Chavan.

We recently elected a new executive team, congratulations to Martin Stralow for being elected as President.

Why not come along to our meetings and see how the program can change your life by developing greater self-confidence, or if you are just interested in having fun and meeting new friends

We meet every 2nd and 4th Thursday of each month. For further information please contact Roy Ashpole 96442107 or via our website: *revesby.toastmastersclubs.org.*

'No more. It's the Law.' is the message being promoted by the Responsible Drinking Program. It is a positive message for both the liquor industry and their patrons. It is about people enjoying themselves, but drinking alcohol responsibly and safely. The program continues its emphasis on 'point of sale' staff for responsible serving, and patrons for responsible drinking. The Office of Liquor, Gaming and Racing continues to receive excellent feedback from the liquor industry throughout the State on the 'No More. It's the Law' program. As well as targeting licensed venues for the point of sale component, the program continues to shift the Enjoy a Few… Not a Few Too Many message to the general community.
