ATHLETICS (SENIOR)

Liaison Director: John Rodwell

Following the success of the High Velocity Sprint meets that the Club hosted at The Ridge track, we also hosted an Athletics NSW meet in February.

Our own Zach Holdsworth was successful in winning the men's 100m A grade event. It was also great to see some of the Little Athletics athletes participating in a Seniors meet.

The Open NSW State Championships have just been held, with 3 of our athletes medaling. Tay Clarke & Abbie Taddeo won GOLD in the women's Long Jump & 100m hurdles respectively and Shane Loveridge won SILVER in the men's Discus. There were also many other great results.

Sydney is hosting the National Championships in April where athletes will be vying for Olympic selection. We wish all our athletes the very best.

The Winter Cross country season is just around the corner. We will be commencing our Saturday afternoon weekly runs/walks on April 10th. Please check our Facebook page for details.

BANKSTOWN STROKE SUPPORT GROUP

Liaison Director: John Rodwell

The Bankstown Stroke Support Group meets on the 4th (not necessarily the last) Wednesday of the month, excluding December and January.

The aim is to provide a network group to stroke survivors, their families and/or carers. We commence at 10.30 and are concluded by 12.30pm. It's open to any Revesby Workers' members who may have an interest in stroke survivors.

We encourage guest speakers to present each month and this next quarter has a great selection.

They are:

26 May 2021: Stroke Foundation updating us with what's new in stroke treatment and strategies to prevent stroke.

23 June 2021: We explore art therapy from a lady who had an acquired brain injury and has in many ways overcome the incident through her art. Generally, it's an interactive morning.

28 July 2021: Our State local member is overwhelmingly supportive of our group and is attending to guide us through any issues that our group may have.

In addition, we are hoping to have Prof Mark Parsons from SWSLHD research talk to us about the Victorian Stroke Ambulance initiative. NSW Health have recently approved funding for our own Stroke Ambulance. It will make a huge difference to emergency stroke responses to the State.

Our AGM will be held in August 2021.

BOWLS – INDOORS (LADIES) Liaison Director: Ian Stromborg

The Club was formed in 1968 initially with 56 members and an elected committee. The Club grew over the years to as many members as 100 attending and playing each Wednesday in teams but also competing individually for special trophies.

Today games are still played in the Revesby Workers' Club Auditorium each Wednesday. Ian Stromborg, Director of Revesby Workers' Club is the Liaison Director and the Ladies Bowls Club has its own elected committee.

The dreaded COVID-19 pandemic gave us, like most sporting clubs, a chaotic year that saw games suspended for months then return under strict COVID-19 rules. The good news is that as of January the Club came back in earnest. Wednesday mornings sees the ladies enjoying the challenge of competing and more importantly having a laugh and enjoying each other's company. Over the next few weeks members will also start competing individually for the Achiever's Trophy and the President's Cup Trophy.

A by-product of COVID-19 was the decrease in Club numbers so they are very keen to welcome any new members. It's an easy game to learn and there is always someone ready to teach and assist. Depending on the number of players on the day teams of 3 and 4 are put together by a random draw with each team playing four games, two in the morning and two after lunch. Starting time is 10am and the

day is done before 2pm.

Age is not an issue with wonderful players of a "mature" age teaching the younger ones how it's done. Revesby Workers' Club supports the Ladies Club so it's an inexpensive day out so if you have a spare Wednesday come and join in.

Congratulations ladies!

2020 was a game changer in so many ways. The new "norm" was playing under COVID-19 rules and we, like many other Clubs, had to postpone our playing for many months. We were unable to

compete for the Achiever's Award or the President's Cup.

But rush forward to 2021 and with great joy and excitement our Ladies returned to commence Wednesday bowls in January. The first Wednesday was filled with catching up on family, general news and holidays as well as fitting bowling in somehow! Unfortunately, a few of our dear members were unable to return for a myriad of health issues which has seen our numbers drop. We would like to cordially invite any ladies out there that want to join a wonderful group of ladies for a fun filled 4 hours to come along.

If you are interested give me a call (Connie Sorrenti 0409 677 755).

BOWLS – LAWN (MENS)

Liaison Director: Ian Stromborg

Revesby Workers' Mens Bowling Club resumed bowling in January with still a few restrictions at the Sports Club. Our first club championship to be played in January was the Club Fours with a good field of entries. Due to holidays etc the final is still waiting to be played. Next on the calendar is the Club Triples which is under way at the moment. The bowlers held their annual Olsens Triples Day in February which was attended by many clubs from out of our district with 72 bowlers on the green. A great day was had by all whom attended with a lot of bowlers congratulating our committee for the well organised day.

Revesby Workers' Club bowlers are being well represented in the Zone 12 Championships being held over the next few months. Two of our bowlers Peter Shean and Peter Chown have won the final of the State Zone 12 Seniors Pair Title and will compete in the State Final to be played at the Ettalong Bowling Club in August. We wish them the best of luck.

The Pennant season is well under way with three grades entered and results coming through are very encouraging for the finals to be played following the 10 rounds. Once again our Bowling Club, with the support of the Revesby Workers' Board of Directors will be hosting the State Zone Triples over four days in July. Entries will come from many bowlers who have represented Australia and NSW bowls.

The lady bowlers are enjoying playing an extra day of bowls with the men on social Saturdays. We have our Greenkeepers' Charity Bowls Day coming up on Friday 23 July 2021 and we encourage anyone who may be interested in bowls to contact the Mens Club and join us on this day. The club has three bowls coaches and seven umpires, all approved by Bowls Australia.

If you are interested in trying your hand at bowls, give our President, Denis Gallant a call on 0402 114 635.

CRICKET

Liaison Director: Christine Benham

After an aborted end to the 2019-20 summer season, due to corona virus, the start of the 2020-21 season was delayed in order to assist the winter sports in having a season, albeit shorter than usual. Cricket matches commenced about six weeks later than normal.

The season still was quite challenging, with some matches abandoned because of extreme heat, ground closures, rain and the lack of available grounds to run a full round. Two Revesby Workers junior teams took out their Minor Premierships – the U14s and U15s. Wet weather saw the Grand Finals being attempted on three different weekends until finally they were played on 27 & 28 March.

The U14 Grand Final against St Christopher's was a very tight match, with Workers winning 4/135 to 8/131. Congratulations to Coach Richard Shan Wah and his great team – back to back Premiers! The U15s played a great match and won 6/175 against Panania East Hills RSL 10/89. Congratulations to the boys and their wonderful coach, Ansar Javed.

4th Grade played in their Grand Final, going down 10/162 to Milperra Viking 4/170. Both 1st Grade teams were scheduled to play in semi-finals, but, as they were ranked 3rd and 4th on the ladder, and semi-finals had to be abandoned due to rain, they did not have the opportunity to play off for the right to make the Grand Final.

Overall, Revesby Workers' Cricket Club achieved some great results. All our junior sides performed very well. Teams were entered in Twenty/20 competitions for U14s and U15s and were victorious. The 1st Grade 2 side made the Grand Final for the 1-day competition, but unfortunately went down to Panania East Hills RSL. We are so proud of all of you.

This season, we entered a Stage 2 side with most players being quite young and moved up from last season's Stage 1 side. This side was well coached by Steve Avery, assisted by our Coaching Coordinator, Lindsay Le Bas. We also had a young non-competitive Stage 1 side, which Lindsay Le Bas coached on Thursdays, and was so well managed by Aurelien Farthhiuat, whose wife, Kathryn was the dedicated scorer for the team. Thank you both for all your help. We also had lots of little ones – 4-9 years old, who participated in the Woolworths Junior and Master Blaster programs at Amour Park each Tuesday evening.

The 2021 Masters Cup (Over 35s Super

8s) is due to run from May until the end of July at Vale of Ah, and promises to be loads of fun, as usual.

We look forward to holding our Presentations, including the deferred 2019-20 Presentations soon and will start signing on for the next summer competition from 1 July on-line – just visit the "Play Cricket" site and enter your postcode – Revesby Workers' Cricket Club will be one of your options, which I hope you choose!

FOOTBALL (SOCCER)

Liaison Director: Kylie Wilkinson

It is great to see so many players from last year registering again as well as so many new players to the club for the 2021 season. With so much disruption to our 2020 season we are looking forward to 2021 kick off.

January/February has seen the club committee busy taking registrations and forming teams, 2021 looks like we will field 48 teams from under 6s to O45s.

March has seen trial games as well as our Men's Premier league feature in the FFA Cup and Round 1 and 2 played before everybody else gets started 17th/18th April.

Revesby Workers' Football Club continues to grow in our Junior and Senior teams including our focus on Ladies football with a 4th All Age Ladies team added for 2021. Juniors Ladies are also growing with the club represented in 6s/7s, 8s/9s, 10s/11s, 15s and 17/18 ladies only teams.

Revesby Workers' Football club are continuing to go from strength to strength and would like to thank the continued support of the Revesby Workers' club as well as our Committee and volunteers who make it all possible week in week out.

I look forward to seeing you all around the grounds.

The Men's Golf club was formed in 1961 and is a thriving sub-club of the Revesby Workers' Club. The golf club currently has in excess of 50 members and is run by a very dedicated group of elected officers. Members of the club enjoy friendly competition in a variety of different events and formats. The club also stages many championships such

as club and handicap, single and 4 Ball match play, 2 BBB, player of the year point score, progressive stableford and birdie competitions.

Our club also participates in inter-club competitions against other clubs in NSW and ACT as well as yearly golf tours to various resort style golf destinations. These clubs include Canberra Labor club GC, Blacktown Workers GC, Mounties GC, Cabramatta Leagues GC, Goulburn Workers GC and Bankstown Sports Club GC and we travel and play at Cypress Lakes in the Hunter, Gold Coast, Mollymook, Goulburn and Canberra.

This year the club has a schedule of 35 games which are played early on Sunday mornings. At the time of writing we had played eight events and also commenced our 2021 club championships. On 18th April we will be playing our first interclub event for the year and it will be against Goulburn Workers at Moss Vale GC. On May 28th -30th we will be travelling to the Hunter Valley for the much anticipated 3 day Cypress Lakes Championship. We have 32 players attending and this tour will be the sixth since 2011 to this destination.

Saving lives on the water.

Our most recent Aquatic and Sporting Event was The Big Swim.

We supported this event with a crew on HW22 which we were there to assist with any swimmers that needed support or first aid.

We are very pleased to advise that we are able to have the Hawkesbury Canoe Classic on 30/31 October 2021. This is an annual charity event which, last year, was the first year due to COVID19 restrictions that was not able to be held. Starting at Windsor, paddlers travel to Brooklyn in an overnight paddle on canoes, now also on

stand up paddle boards.

Marine Rescue provides boats and check points, radio and first aid support to those on this event which is a great charity to support and we are so pleased to be involved with The Arrow Foundation and all the great work they do.

If you have not already done so, for an interesting watch, tune it to Marine Rescue TV and you can see the action. Season One, Episode 5 has just been released.

These are informative and educational, interesting viewing and may inspire some of you to join our crew! All 5 episodes are available now.

With the right training and great teamwork, Marine Rescue saves lives on the water and are there to assist, these are always times when people least expect it.

Return and Earn.

If you are able to recycle your cans and bottles, this can also be allocated to Marine Rescue as a donation.

As most of you know, we are a volunteer organisation and we have the best training and I am so proud to be part of such a wonderful organisation that supports and encourages the learning and training.

Every weekend there are dedicated crews that are there for anyone who needs assistance and to donate these funds to Marine Rescue you know that you will be helping someone who is receiving great assistance from wonderful crews who really are experts at arriving quickly, providing first aid and support or transporting paramedics to water access only areas.

The machines for the Marine Rescue donation are located at Glenorie, Pittown, Windsor and McGraths Hill. Our volunteers are always training and keeping their skills ready for the ever busy summer on one of the favourite places for people to launch a boat, kayak or just fish or float.

Anyone interested in doing a boat course? We also do boat license courses at various times during the year. Let us know and we can assist you.

As previously mentioned, new members are always welcome at Marine Rescue Hawkesbury. We supply free training and uniforms. For further information, please contact Unit Commander Derek Whorlow on 0417 281 851.

REVESBY WRITERS'

Liaison Director: John Rodwell

Our Writers Group meets on the first Saturday of the month in the Macarthur Room, 20 Dixon Lane Revesby at 1pm. New members will be made most welcome, so come along and listen to our writers' topics plus other stories.

Thanks to Simon our President, the room is set up extremely well for the COVID-19 virus and we each have our own table to use. Our topic for the month of April is 'One Odd Shoe' however it is optional as some of our writers are writing their own stories. For instance Madeleine Pizzuti has just had her second book published entitled 'Bear' and was promoting it at Ka-Deli in Panania, which went extremely well.

In the month of May, Karen Lane from the W.E.A. in Sydney will be at our meeting with information to help us improve our writing efforts. So if you have a story inside you, be it Fact, Fiction, Murder, Love or your Biography come along and fulfil your dream. Contact Shirley Galloway on 9709 4117. Please leave a message with your contact details and I will return your call.

TENNIS CLUB - JUNIOR

Liaison Director: Baden Kirgan

Junior players for Revesby Workers' Club are playing in various locations over each term. The beginners play the Saturday morning competition at Smith Park Centre, East Hills mainly, over two sessions according to their grading. Here they play round robins singles and doubles play with trophies being handed out at the end of term (which is scheduled for March 27). There are teams coming from the coaching at Moxon Sports Club and also Sefton (SMK Academy) and Wattlegrove that will be playing for RWC.

There were only 4 teams (of 2) who entered the mid-western tennis competition for Term 1, 2021. A lot of our better players are in Year 12 and some

have other coaching on the Saturdays. It is also very hard to get teams together straight after the Christmas holidays. They play the more advanced competition, playing against teams from Berala Carramar, Ryde, Brenan Park, Auburn and Smithfield. They play home and away using Panania or Deverall Park as their home grounds.

They all enjoy the harder competition which was a singles of best of 3 sets and then a doubles with their partner.

At writing of this report, March 15, both competitions still have 2 weeks to go before the finals.

Mid-western report:

In Division 1B – CBTA/RWC 3: Team of Michael and Umar are in 2nd position on 21.5 points just 1 point behind Brenan Park. Very close games.

In Division 1B also CBTA/RWC 7: Team of Inesh and Julian are in 3rd position on 20.5 points – another very close division.

Division 2A – team of CBTA/RWC 4: Team of Samuel and Harris, are in 1st position on 21 points, just half a point behind Brenan Park.

Division 2B - team CBTA/RWC 8: Team of Althea and Charlize are in equal 3rd position on 10.5 points.
