Executive Report

President

Scott Bennetts
CEO

Dear Members,

At the time of writing this report, we have just held a General Meeting for the purpose of electing a Director to fill the vacancy left following the resignation of Kylie Wilkinson.

We would like to thank those members who attended the Club on Tuesday 3 October 2023 in order to vote at the General Meeting by-election.

*Newly elected Club Director
Daniel Kurtz.*

WELCOME DANIEL KURTZ

We would like to congratulate Daniel Kurtz who was elected by the members at the General Meeting on Tuesday 3 October 2023 as Director to the Board of Revesby Workers' Club Ltd. Daniel is the 42nd Director appointed to the Club and his appointment sees our Board return to a Board of 7 Directors.

A number of our members would be familiar with Daniel due to his current Presidency of the Revesby Workers' Football Club since 2019. Daniel is also a Director of Bankstown District Football Association and has been since 2022.

Daniel has grown up in the area, attending a local school and is passionate about his volunteer role which enables him to give back to the community through sporting organisations that provide a structured and safe environment for people of all ages to participate and have fun.

On behalf of the Board of Directors and Management, we welcome Daniel to the Revesby Workers' Club Board and look forward to working with him in the future.

TERTIARY SCHOLARSHIP PROGRAM

We are proud to once again offer the Revesby Workers' Tertiary Scholarship Program. Application packs can be requested from 1 December 2023 and applications will be received up to and including 31 January 2024.

As we did in 2023, the Club will be offering 2 x \$3,000 university scholarships and 2 x \$3,000 TAFE scholarships together with \$500 scholarships to outstanding applicants who are not successful in obtaining the \$3,000 scholarship.

The Club has dedicated funding of up to \$35,000 for this program annually, which will fund the \$3,000 scholarships and honour the previous recipients who each receive \$500 for every subsequent year of study, subject to satisfactory results throughout their degree (up to 6 years).

If you have any questions in relation to the 2024 Tertiary Scholarship Program or would like to request an application pack from 1 December 2023, please contact the Club's Executive Assistant, Tenielle Symington on (02) 8707 6912 or tenielles@rwc.org.au.

SCHOOL SUBSIDY PROGRAM

The School Subsidy program offered by Revesby Workers' Club commenced back in 1986 when the Club supplied \$11,000 to 22 schools in the local district. In 1999 the school subsidy program had progressed to fund 24 local school with a \$1,000 subsidy, a subsidy that was later increased to \$2,000 in 2001.

By 2011, the subsidy amount was once again increased to \$3,000 and the Club offered as many as 28 local schools totalling \$84,000. These annual subsidies paid to our local schools aligns with the Club's purpose of being people focused and community proud by contributing to the education of our future.

As the program has run for many years, we have decided to change the structure to offer the potential to receive a larger subsidy to fund a much bigger project within schools which potentially benefits many more students both current and future.

Similar to our local ClubGRANTS scheme run by Council, the Club will open a grant round and invite our 28 local schools to submit an application for funding ranging from \$3,000 to \$30,000 to utilise for things such as undertaking a school project or introducing a new school program, apply for sponsorship, assist with a school event or purchase items required by the school.

Upon closing, our Education Committee will review all applications and select a number of recipients to receive funding equivalent of the \$84,000 that we provide annually. Further detail in relation to the revised program will be communicated to our local schools shortly.

Recipients of The School Subsidy program.

CHRISTMAS AND NEW YEAR

On closing, we would like to wish all of our members a safe and happy Christmas and a prosperous New Year. We look forward to welcoming you all back in the New Year and update you on the exciting things ahead for 2024.

FUTURE DEVELOPMENT THE FUNCTION CENTRE PROJECT

The Club's entire Level 1 will undergo a major renovation, commencing from January 2024 and due to reopen in late October 2024. See **Page 8** for full details.

David Raper **Director**

A year has flown by since I had the honour to be elected to the Board of our club. Having been involved in Revesby Workers since a young age in Cricket and Snooker, and being a long-term member, I have taken great pleasure in seeing first hand that past values and thinking remain at the forefront of decision making.

I have enjoyed catching up with the various sub-clubs through the year, and am looking forward to building these relationships and providing support wherever possible. These clubs provide a special means for community connection and friendship amongst our members and often represent a significant part of people's lives, sometimes from generation to generation within families.

As a Director I am also thankful to see in detail the significant level of past and ongoing commitment of the Board to providing substantial funds to the wider community. Every member who has been involved in Charity related activities deserve congratulations.

In the words of the modern philosopher Taylor Swift *"This is a new year. A new beginning. And things will change."* We are all of course subject to the impacts of change, and there is certainly a fair bit of it in the air; whether an increasingly digital world, changes in regulation affecting the industry, or evolving social expectations and demands. The Board will be alert in preparing to meet the challenges ahead, and I find it hard to imagine a better equipped team with respect to our excellent Staff and Management under the leadership of CEO Scott.

I, along with hopefully all members, am looking forward to exciting developments ahead, including the renovated auditorium. A new caterer has now come on board at Revesby Greens (formerly Revesby Workers' Sports Club) at Spence Street, members might check it out and even combine a meal with a dabble of twilight lawn bowls on Friday afternoons.

As the year comes towards an end, special thoughts go out to the families, friends and co-workers who have lost a loved one during the year.

I wish everyone a happy and healthy Christmas and New Year.

Director Reports

Linda Downey Director

I would like to take the opportunity to congratulate all the HSC students (and their parents) who have completed their studies and are waiting expectantly for their exam and ATAR results and are taking the first steps to enter exciting new career paths, training and study options.

The Revesby Workers' Club has for many years supported local students to achieve their goals through its Tertiary Scholarship Program and I urge all current HSC students whose parents are RWC members to take advantage of the opportunity to apply for one of our scholarships. Applications open 1 December 2023 and close on 31 January 2024. Application packs can be requested from the Club's Executive Assistant via email at teniellles@rwc.org.au.

To all other students I wish them a great holiday and rest over the holidays (Wednesday 20 December to Monday 29 January 2024) so that they can be ready for the new school year.

The Club has a range of activities available for younger people during their holidays such as Zone Bowling and Flip Out located upstairs from the Brett Street entrance.

Revesby Workers' Club continues to offer the Christmas activities as it did last year, including:

- Christmas Day Lunches, including a 'At Home' option, details on **pages 13 to 15**

- Workers' Giving Tree and Health Mates Food Drive, support Padstow Community Care, details on **page 6**.
- Christmas Toy and Ham & Pork Raffles, details on **page 12**.

Workers' GIVING TREE

Every year the Clubs' foyer plays home to a very special Christmas Tree, the 'Workers' Giving Tree'. Supporting the local Community Care Christmas Appeal, we invite all members, guests and staff to participate.

Simply purchase a gift for a child and donate this to the Giving Tree.

THINGS TO REMEMBER when purchasing a Gift

- All gifts must be new.
- Gifts do not need to be wrapped. This helps identify which child your gift would most suit.
- We appreciate gifts for all ages, from babies to teenagers and through to adults.
- Rolls of paper are also a great option, so the recipients can wrap the gifts for Christmas day.
- Shopping Gift Cards are also a good option, if you are unsure what to get.

Gifts can be dropped off from **Friday 10 November until Sunday 3 December 2023**. We encourage you to all get involved and help us make someone's Christmas just a little bit more special this year.

Community Care *Pathways of Hope*

HEALTH MATES CHRISTMAS *Food Drive*

Friday 10 November until Sunday 3 December 2023

Health Mates is again coordinating a Christmas Food Drive. Your generous donations will be used to create festive hampers for families most in need this Christmas.

Here are tips to help select your donation;

Choose non-perishable foods with long expiry dates.

Where possible choose brand name products and special items to celebrate Christmas.

Our staff

'PAY IT FORWARD'

"The Ripple Effect on Ourselves - living with a grateful and compassionate heart **lowers blood pressure, reduces stress, boosts our immune system, and reduces negative emotions.** Using the pay it forward analogy, if we can pass that on to someone else and they do the same, the world becomes a better place"

'Pay it Forward' posters in the staff room.

For the month of July, we asked our staff to 'Pay it Forward' by noting the name of a colleague and the good deed they displayed that represented any of

our four Club values. Staff had access to write on our 'Pay It Forward' posters in our Staff Room or could comment on our Staff Facebook Page.

Well, we can honestly say that we have some incredibly grateful and compassionate staff within the Revesby Workers' Club Group!

When the campaign started our People and Culture team anticipated 1 or 2 posters would be filled. However, they received an overwhelming response to the campaign with 10 posters completed.

Staff were more than happy to nominate their colleagues, to acknowledge their hard work and their commitment to our Values.

The total number of votes received across the Club group was 366, that's 96% of all staff.

HOPE FOR A COAT

Our staff continued to 'PAY IT FORWARD' during July and August to our external community.

As the temperature dropped, our wonderful Marketing team launched 'Hope for a Coat'; a staff only coat drive, asking our incredibly generous staff to kindly donate any unwanted or unneeded winter coats or warm jackets to those less fortunate.

We wanted to remind everyone that we're more than a club; we're part of the local community, and through our 'Hope for a Coat' initiative we were able to give back to that community. Something as simple as a coat can make so much difference to those in need.

It was a simple way of making sure that last winter, somebody less fortunate benefited from our pre-loved winter coats and warm jackets

To no one's surprise, our RWC staff sure know how to pay it forward. Revesby Workers' Club support to Padstow Community Care's Winter Appeal this year saw a Board approved donation of \$2,000 and a winter clothing collection 'Hope for a Coat' of more than 100 items to assist in supporting the most vulnerable across our community.

The Club and its staff understand the pressures experienced by families within the community and showed no hesitation in getting behind this Community Appeal to help make someone's winter warmer.

Coats collected for the 'Hope for a Coat' appeal.

RSPCA CUPCAKE DAY

Each year, more than 94,820 animals rely on the RSPCA for help.

On 25th August our staff came together to bring in their home baked treats to help support the RSPCA's Cupcake Day campaign, baking for an amazing paws.

This campaign raises much needed funds for the RSPCA to help rescue, rehabilitate and rehome animals, great and small, country wide.

Staff enjoyed the incredible array of baked goods and managed to raise \$300 on the day!

They also had the opportunity to see so many of their colleagues fur-babies on the Staff Facebook Page!

Some of the delicious treats on offer.

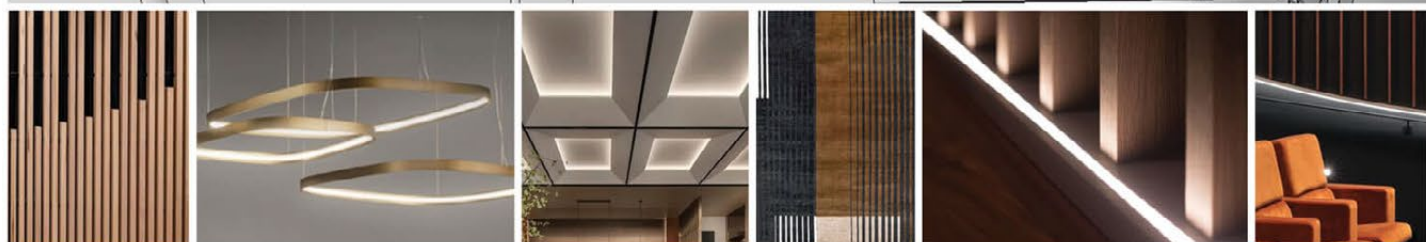

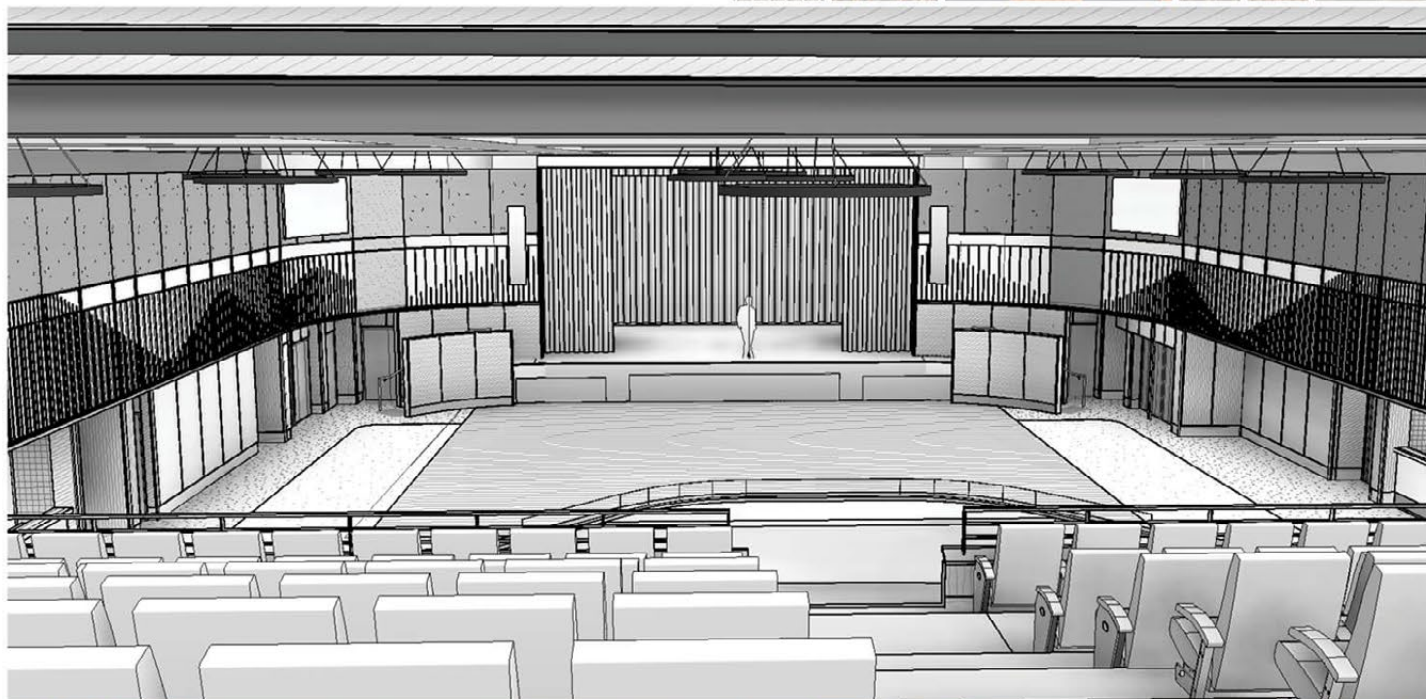

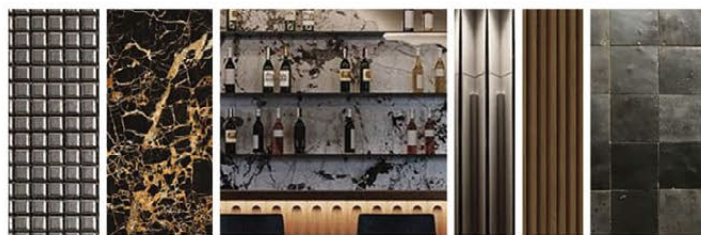

FUTURE DEVELOPMENT THE FUNCTION CENTRE

PLANNING AND DEVELOPMENT

With members always at the forefront of the Club's future development plans, it was only fitting that the proposed project for 23/24 was the Club's Function Centre, which includes the Whitlam Theatre.

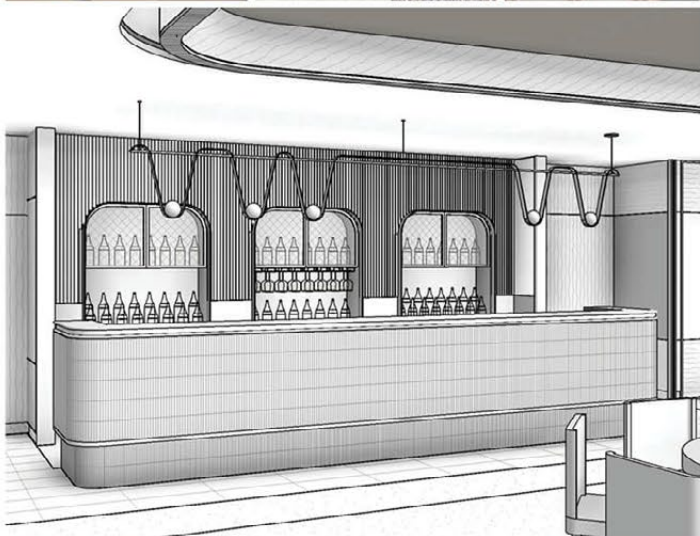

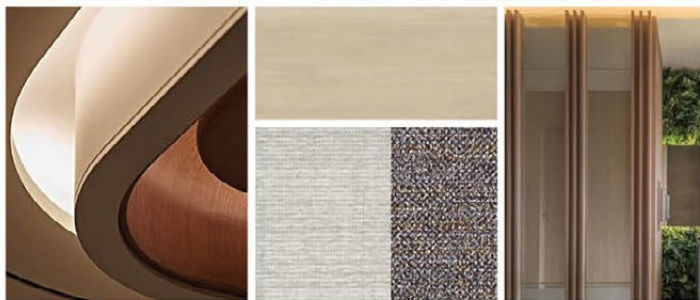

The entire of Level 1 will undergo a major renovation, commencing from January 2024 and due to reopen in late October 2024.

This area over the years has had only minor refurbishments, so these major works will ensure the technology is current, the layout configurations maximise space and we are able to provide state-of-the-art, modern, and flexible facilities to all those who utilise our functions area.

Conquering

the New Year

Top Tips to Keep Your Resolutions on Track

The New Year is fast approaching, or possibly already here if you are reading this in January. We know many of you set resolutions to kick start the new year, but in less than four weeks find yourself slumping back into the habits you were so desperate to change.

Check out these five common obstacles that can hinder progress in maintaining your resolutions, and of course, solutions that we're sure will help you make 2024 a successful reboot.

Here's to a happy and healthy year ahead!

The Grand Vague Resolution:

Barrier: When your resolution is as clear as a foggy day, it's hard to find the path forward.

Solution: Picture your resolution in high definition. Make it specific, so you're not lost in the mist!

Mount Everest Goals:

Barrier: Setting resolutions so ambitious they make climbing Mount Everest seem like a stroll in the park.

Solution: Aim for a scenic hike first. Start small, conquer, then set your sights on those mountain peaks.

The 'Plan? What Plan?' Dilemma:

Barrier: Your resolution roadmap got lost in a Bermuda Triangle of disorganisation.

Solution: Grab a map! Plan your route, mark your stops and enjoy the journey.

The Lone Ranger Syndrome:

Barrier: Trying to be the lone hero in your resolution story, but realising even Batman had Alfred.

Solution: Call in reinforcements! Friends, family, or a pet parrot – everyone needs a cheerleader.

The Roller Coaster of Setbacks:

Barrier: You're on a resolution roller coaster, and sometimes it's a wild ride.

Solution: Buckle up! Every loop-de-loop teaches you something. Enjoy the ride and stay in the front seat for a better view of the twists and turns. Learn from your set backs and keep adjusting your plan, rather than abandoning it.

BANKSTOWN STROKE SUPPORT GROUP

Liaison Director: Christine Benham

The Bankstown Stroke Support Group meet on the 4th Wednesday of each month, excluding December and January.

Our November meeting will be held at the Ingham Institute at Liverpool. It is a research facility for South West Sydney local health district and we are learning about new developments in stroke prevention and treatment.

In December the group will celebrate Christmas and the New Year with our key supporters.

There is no meeting in January and our first meeting in the New Year is scheduled for Wednesday, 28 February 2024 from 10.30am to 12.30pm on the 1st floor of Revesby Workers' Club.

BOWLS – INDOORS (LADIES)

Liaison Director: David Raper

We completed another three months of fun, laughter and tough competition! In July we were delighted to celebrate Joan Hansen's 90th birthday. Keep going strong young lady!

The year end is fast approaching and with it will come our annual Christmas party then bowls will cease until the renovations of the auditorium are complete. Our plan is to have fortnightly "games" Wednesdays at Revesby Workers' Club where we can still get together. Details will be worked out at the AGM.

Given that the auditorium will be closed in January 2024 our AGM is now scheduled for 29 November 2023 at 9.30am at which time elections will be held for Committee members.

BOWLS – LAWN (LADIES)
Liaison Director: David Raper

Our Major Singles championship was played in July. Following many close games, our Singles champion for 2023 was Jan Pennell who defeated Mary Holloway in an exciting final. Congratulations Jan! The Club Pairs will be played in October.

Four teams entered the District Fours. Sandra Weekes, Dianne Oliver, Sue Semlitzky and Betty Graham reached the finals only to be defeated by Grandviews Bowling Club. We will get them next year!

We were very pleased to have two teams represented in the District Pennants this year. Our Grade 3 team was Maureen Higgs, Lyn Gallant, Norma Gray, Jan Calderon, Betty Davidson, Fay Haddon, Claire Chown, Joy Pavey and Elizabeth McFarland. Our Grade 4 team was Gail McGuiggin, Dianne Oliver, Noeline Hanley, Betty Graham, Sue Semlitzky, Maureen Farrugia, Mary Holloway, Sandra Weekes, Jo-Anne Jackson, Jan Pennell and Ellie Atme. Both teams put in good performances with Grade 4 coming in at second place. Well done!

Our annual Spring Triples Carnival was held in September. Many clubs joined us for the day. This was another good event with the team from Austral Bowling Club winning the day. We thank our sponsors S.F. Manufacturing, Fineline Print & Copy and PRD Real Estate for their contributions and support.

Recently, we participated in the annual "Teapot" challenge against our friends at Ingleburn Bowling Club. The beautifully polished silver teapot and tray were a sight to behold. All games were well contested but Revesby Workers' once again brought the teapot home. This challenge has been played between the two clubs since 1962.

The District Triples and the District Pairs will be played in October. Revesby Workers will be participating in both of these events.

As the year draws to a close, we have planned a wonderful Christmas lunch celebrating our friendship and our achievements throughout the year. A special thanks to our President, Dianne Oliver, and all of our committees who have made 2023 a most successful year.

As always, we welcome new and experienced bowlers to join our club. Recently, two new bowlers have joined us and we look forward to following their development over the next few years. We play on Thursday mornings and on

Saturday afternoons with the Men's Club. Twilight bowls on Friday afternoons is available during Summer.

If interested, please contact our President, Dianne Oliver on 0412 738 420 or our Secretary Pat Tate on 0408 006 404.

Would love to see you on the green.

Revesby Workers' Men's Bowling Club will be enjoying great summer weather and we encourage new bowlers who may have other sport injuries or feel they're past their time with other sports.

Bowls is fun, skillful and very competitive, it's a lot harder than what it looks.

We have social bowls on Wednesday afternoon, our ladies play Thursday morning and we have mixed socials on Saturday afternoons. We have also reintroduced Twilight bowls on Friday evenings during summertime.

There is a list of names on the notice board the week before a game. New bowler walk ins are welcome, although bookings an hour in advance are preferred by calling (02) 8707 6995.

Cards called times are:

Wednesdays (12.45pm):

dress casual with flat sole footwear

Fridays (4.45pm):

dress casual with flat sole footwear

Saturdays (12.45pm):

dress Club colours with flat sole footwear

If you haven't tried bowls come and try it. We will instruct, but be warned it's very addictive!

Club Championships will be Major Pairs from 23 November 2023.

We also acknowledge the two finalists in the Club Senior Singles with Peter Chown def Ken Sayers.

Congratulations also to Steve Shaw winning the Minor Singles with Peter Shean taking out the Major Singles and the Title of Club Champion.

A wonderful achievement for Peter Chown and Peter Shean being selected to represent Zone 12 in the annual State Interzone Championships.

We are also excited about the new caterer

Sports Reports

starting with the bowls club. Twilight bowls wants to support the new caterer and also the Bill Bullard Charity raffle.

CRICKET

Liaison Director: Christine Benham

The senior and older junior teams commenced their seasons in early September with mixed results. Regrettably, we have no junior teams for season 2023-24 as consequence of poor decisions made by Cricket Australia and Cricket NSW over the last several seasons, specifically relating to juniors. Also they have decided to ditch the Master Blaster programs in favour of the dumber down program for little kids – fine for the toddlers but not much use for anyone else.

We have been delighted this season to have grown our number of senior teams by 50% to six teams. The four teams from last season have returned albeit one of them with many new team members. We welcome a team of mainly young players who largely moved over from another club, and we also welcome back some former players and some new ones who became available when another club lost numbers.

We encourage anyone looking to play in senior grades to contact us (Ray or Chris on 9773 7157). We have a variety of grades available. Park cricket, like we play, is fun for everyone!

By the time you read this article, we should have held our 2022-23 presentations and will be heading down the path to the 2023-24 finals series.

I hope you make the most of your summer and enjoy some beach cricket with family and friends!

GARDEN CLUB

Liaison Director: Christine Butters

As the year draws to a close, we are pleased to see new members and visitors sharing our monthly meetings. Membership fees are now pro rata, which means that new members joining late in the year do not have to pay the full annual fee.

A most welcome donation of new garden books was added recently to our Library Table! This has attracted more borrowers.

Our monthly speakers continue to edify. Last August, Faye Yarroll shared her unique experience as a profoundly deaf, double

cochlear implantee. She brought along little Sydney, her invaluable assistance dog. Sydney impressed everyone in a short demonstration using a smoke alarm.

September ushered in guest speaker Helen Lovell, Neutrog's brand ambassador. She discussed the various products of this Australian-owned biological fertilizer company, like Gogo Juice, POPUL8 and Sudden Impact for Roses.

Also in September, six of our members attended the Garden Clubs of Australia Biennial Convention at Warners Bay, Lake Macquarie. Local garden clubs organised various activities which featured local attractions and gardens. Renowned personalities such as Costa Georgiadis were guest speakers. During this jam-packed week, a cheeky kookaburra stole a blueberry muffin right out of a member's hand! The next convention will be in two years' time at Albury-Wodonga, open to all members.

Our October speaker will be Brenda Parker, a bonsai expert for forty years. Since not many members are familiar with the intricacies of this specialised form of gardening, her talk promises to be most instructive indeed.

Something not to be missed is our October Spring Coach Tour to the Blue Mountains. Many thanks go to our two Tour Organizers for their tireless efforts! Morning tea will be at the Everglades House and Gardens Leura. Lunch will be at the Royal Hotel Springwood, after which we will stop by the Glenbrook Native Plant Reserve and Nursery. Everyone is welcome, space allowing.

Our invited speaker for November is bush poet Ralph Scrivner. He captivated everyone earlier this year with his impressive rendition of Australian poetry.

In November we also have our Annual General Meeting where we will elect our officers for 2024.

We round up this year with our Annual Christmas Luncheon in December at the Revesby Workers Club. The Lucky Door Prize is always a highlight as prizes are as varied as they are plentiful. Live entertainment will be provided.

There will be no monthly meetings in December and January so this is our chance to thank one and all for continuing to make our Garden Club a success!

We resume our meetings at the Revesby Workers' Club on February 2024 from 10 am till 12 noon. Registration and pre-meeting activities start at 9:30 am. We

meet on the first Saturday of each month. The exact venue is to be announced due to planned renovations. Do refer to our website www.rwcgarden.com for updates.

The 2023 season has been extremely successful for the hockey ladies.

The social team won the Moorebank Liverpool Hockey Ladies Social League! The team only had 1 loss and scored over 50 goals during the season. We are already looking forward to the 2024 season!

Our Masters ladies, who play their representative hockey with Met South West, won the Sydney Women's Hockey League Division 4 championship.

After all our successes this year already, we still have plenty of hockey left to play! We have a masters team heading to the Central Coast Masters Competition at the end of October and a team entered into the Briars weekly social summer comp. We also have some ladies looking forward to the Indoor representative season, starting early next year.

We are already planning 2024, if you are interested in playing, we welcome all ladies over 12, from beginners to elite.

We have certainly had some great days together over the last few months.

Our trips have been near and far with Christmas in July at Gledswood Winery, Penrith Print Museum and The Postman's Run River cruise on the Hawkesbury River and our last one for the year will be The Little Snail Restaurant in Glebe.

Special thanks to our hard-working committee members and volunteers, without you we would not be able to enjoy our days together, whether it is on a bus trip or organising guest speakers, birthday celebrations and fundraising.

We will be concluding this year's events with our annual Christmas Luncheon on Wednesday, 6 December 2023 and our return date will be Wednesday, 7 February 2024. We wish you all a very happy and healthy Christmas and New Year.
