Vale Terence ('Terry') Semlitzky

Revesby Workers' Club Life Member and former Club Director.

It is with great sadness that we notify our members of the passing of Terence ('Terry') Semlitzky who passed away on Sunday 7 January 2024 age 80.

Terry joined Revesby Workers' Club on 13 April 1966, and proudly served as a Director for 25 years from 26 September 1993 until 28 October 2018, whereby he was the Liaison Director for Revesby Workers' Billiards and Snooker, Darts, Domino, Fishing, Softball Clubs and Revesby Bowling Fishing Club.

In 2003 he was awarded Life Membership of Revesby Worker's for his considerable and ongoing contributions to the Club. He was also recognised by his local community receiving the Canterbury-Bankstown 'Volunteer of the Year' award in 2020 for his years of volunteering at local community causes, sharing his musical talents with the children at the Tree House Early Childhood Centre and regularly visiting aged care facilities.

A dedicated member of the Club's Bill Bullard Charity Foundation Committee, along with his wife Sue and daughter Vanessa, who together for more than 27 years ran the well-known Annual Charity Trivia Night, which had raised over \$55,000 for the foundation, in support of local community charities and programs.

Terry's active involvement in both Darts and Fishing social clubs saw him compete and win in many team championships, including the first Bankstown Open Singles in 1978, the Club Doubles with Bill Woods in 1985, State Fours, Sixes and various other competitions. He also won the Fishing Club championships six times and caught the biggest 'Fish of the Year' in 1986. Terry's active involvement in both clubs was also recognised with Life Memberships.

Terence ('Terry') Semlitzky will be fondly missed, but remembered as a proud and loyal member, respected Director, a keen competitor, and for his selfless dedication to his community.

The Board, Management and staff express their deepest condolences in Terry's passing and their thoughts are with Terry's wife Sue, his children Dean and Vanessa and his little granddaughter Bonnie during this difficult time.

Seniors Christmas Concert

Revesby Workers' Club once again held its Seniors Christmas Concert on 12 December 2023.

This popular annual event attracted over 400 senior members to enjoy a 2-course menu followed by a series of live festive performances and special guest appearances.

This year's members were greeted by the one and only Mrs Claus and were gifted with our Revesby Workers' 2024 Calendars. MC Jace opened the concert with the National Anthem, followed by speeches from our Club President Daryl Melham and Vice President Christine Butters.

Suzanna Mirana started the show off with "River Deep", "Santa Baby", "Rudolf the Red Nose Reindeer" and "We Wish you a Merry Christmas" which was followed by Robert Jeffery singing "Ain't no Mountain", "Please Mr Postman", "I'll be There", "Last Christmas", "My Girl", and "Shout" to name a few.

Jace, Sheryl, Suzanna and Robert ended the concert with "I'm Dreaming of a White Christmas" and "Jingle Bells".

Dear Members,

We hope our members have enjoyed a lovely start to 2024. For some we are sure Christmas and New Year feel like a distant memory, however, we hope you all enjoyed a lovely festive season.

SCHOOL SUBSIDY PROGRAM

Having commenced as far back at 1986 with very little change to the structure, this year the Board approved a change in structure to the School Subsidy Program.

The School Subsidy program offered by Revesby Workers' Club commenced back in 1986 when the Club supplied \$11,000 to 22 schools in the local district. In 1999 the program had grown to fund 24 local schools with a \$1,000 subsidy, a subsidy that was later increased to \$2,000 in 2001.

By 2011, the subsidy amount was increased to \$3,000 and the Club offered this to as many as 28 local schools, totalling \$84,000. The annual subsidies paid to local schools align with the Club's purpose of being people focused and community proud by contributing to the education of our future.

This year, schools were invited to submit an application to request funding for 2024 with the possibility of applying for as much as \$10,000 to fund things such as a school project, a new educational program, a school event, or a sponsorship. We received 19 applications of which 15 were successful in receiving their full requested amount or a partial grant.

Congratulations to the following schools:

- Padstow Heights Public School – receiving \$3,000 towards mathematics resources;
- Mount St Joseph, Milperra – receiving \$3,000 towards umbrellas for student outdoor space;
- Menai Public School – receiving \$3,000 towards main learning displays;
- Padstow North Public School – receiving \$4,800 towards K-2 Robotics Club;
- Caroline Chisholm School – receiving \$5,000 towards purchasing 3-wheel bikes 'Join the Joyride';
- Broderick Gillawarna School – receiving \$5,000 towards music lessons;
- Tower Street Public School – receiving \$6,000 towards a sensory playground project;
- Revesby Public School – receiving \$3,000 towards a student wellbeing program;
- Picnic Point Public School – receiving \$5,000 towards Kindergarten iPad upgrade;
- Panania Public School – receiving \$5,000 towards shelter park seating;
- Padstow Park Public School – receiving \$4,500 towards outdoor stimulus playground;
- East Hills Public School – receiving \$2,000 towards their East Hills eats eatery;
- East Hills Public School – receiving \$1,000 towards Dad's Group;
- Brooklyn Public School – receiving \$9,780 towards upgraded seating for the playground;
- De La Salle College Revesby - \$3,500 towards the purchase of a panel saw for TAS.

HEART OF THE NATION – DEFIBRILLATORS IN THE COMMUNITY

Revesby Workers' Club funded AED unit.

As part of the 2023 ClubGRANTS program, Revesby Workers' Club Ltd provided funding to Heart of the Nation in order to implement a number of life-saving Automated External Defibrillators (AEDs) within the local community in locations where they can be accessed by community members on a 24/7 basis.

When determining where to place these AEDs, we needed to consider things such as accessibility and a location that is highly populated. In light of this, we are putting a call out to our members and community to determine if any business, schools, local churches or residents would be interested in acting as a guardian of an AED.

What is Involved

Should we receive expressions of interest, we will select approximately 4 recipients (with a view to funding further defibrillators in future ClubGRANTS programs) and arrange for Heart of the Nation to install an AED for you.

We would ask that you as a "Guardian" of the AED help maintain the integrity of the device noting that a guardian is not responsible for any damage, simply ensuring the AED is well kept and report any damage that may occur so Heart of the Nation can assist you in the maintenance of the device.

Community Responders

Should anyone express interest in housing an AED and want to be further involved, you may wish to become a "Community Responder". By downloading the Heart of the Nation app (Scan the QR code on the right to download the app), you would be set up to receive alerts when an AED is required nearby and can deliver the life-saving machine to a local in the community and potentially save their life.

**How to get Involved**

If you are interested in finding out more about the Heart of the Nation program and how you can participate, please contact the Club's Executive Assistant Tenielle Symington at tenielles@rwc.org.au.

ANZAC DAY 2024

We would like to remind VIPs, Members and Guests of our Anzac Day Ceremony scheduled for 10.30am on Thursday, 25 April 2024. Similar to last year, we are looking forward to the march from Bankstown YMCA through to the Cenotaph at the Tarro Avenue entrance of the Club.

As always, we look forward to seeing our past Directors, Life Members, Patron, Directors, Sub-clubs, schools, community and members in attendance for a National Day of Remembrance.

FUNCTION ROOM RENOVATIONS

As outlined in previous communications our members are well aware of the current renovations taking place in our auditorium and function area. With these renovations expected to take approximately 9 months, our functions team will have the extremely challenging task of finding limited rooms and function space elsewhere throughout the Club to cater for our regular users.

We once again express our gratitude for your patience and understanding during this time as we endeavour to assist as many members and guests as possible.

Welcome to 2024. It seems no time since I was writing this report last year.

In general, 2023 was a better year for most with less sickness, improved weather and more work opportunities for many. It was a tough year for our families with mortgages and we empathise with those struggling with rising interest rates, hopefully there will be a reprieve early in 2024.

Later in this journal you will see information about our annual International Women's Day event scheduled to take place on 8 March. This year our Marketing team have been working very hard to come up with creative ideas to fit a very different setting. The event will take place in Miss Iggy's and will be different in format to the sit-down luncheons we have held previously, but I have every confidence the event will be one of entertainment, fun and excitement with all proceeds going to Biyani House, our local Women's Shelter, so please save the date, gather some friends and plan to join in the activity.

For the most part of 2024 our Function Rooms and Auditorium will be out of action as they undergo major renovations and refurbishment. It is hoped work will be complete by October and we will all be able to enjoy a state-of-the-art facility. Many months of planning has gone into this and I know the Functions team have been working hard to

try and accommodate all our regular users of these facilities who have been displaced because of the refurbishments. Please be patient and understanding if the temporary arrangements aren't quite what you are used. Unfortunately, because of this work our Seniors Concerts have been put on hold until next Christmas but I am sure they will be worth waiting for when they return.

It is always positive to hear of the activities from our sub clubs, the summer sporting groups are winding up their seasons as the winter ones take registrations and get ready for another busy year. Apart from our larger sporting groups, we have a number of smaller interest groups running under the auspices of Revesby Workers' Club. If darts, snooker, spearfishing, native orchids, gardening, public speaking, indoor bowls, hockey, writing or just women's friendship piques your interest, we have a group for you. Check out the list in the back of the Journal and make contact, it could be the start of a new hobby.

While it seems early to talk about ANZAC Day, this journal covers the period encompassing ANZAC Day and I look forward to welcoming our sub clubs and members to participate in the March and Service on Thursday 25 April. Each year this event gets bigger and reaches out to raise awareness to many in our community. It will also be a poignant day for many at the Club being the first anniversary of the passing of long-term employee Wayne "Rabbit" Steele and I extend my thoughts to his friends and colleagues.

Director Reports

Christine Benham Director

Here we are in 2024 already! 2023 was a huge year for the Club and our management and staff across all facets of our business deserve huge accolades for their outstanding work. The Christmas break provided time for me to reflect on what a wonderful world we are living in right now, in Australia. The atrocities in Israel and the Gaza Strip and the ongoing war in the Ukraine, with the Russian invasion, surely makes us all think about the individual lives that have been lost and families torn apart.

Within Revesby Workers Club, we have lots of sub-clubs that are run by great volunteers who are committed to enhancing other peoples' lives. From Little Athletics, Football, Bowls, Cricket – to name a few of the sporting sub-clubs – to the Garden Club, Ladies Group, Toastmasters and other common interest groups – there are lots of opportunities for our members to get involved.

One particular group, for which I am Liaison Director, is the Bankstown Stroke Recovery Group, which meets monthly in the Club. This is an excellent group whose membership is fluid and comprises people who have experienced stroke, others who are carers and anyone else who shares an interest in new developments in assessing the risks, identifying stroke and ongoing updates in treatments. The Executive of this group arranges guest speakers to address most meetings and during 2023 we also had several trips – a morning tea at Headway in Bankstown (another group that work with people with acquired brain injury) and the Ingham Institute at Liverpool Hospital, which undertakes medical research. Visitors are always welcome at their meetings and I would encourage members and their families to come along if

you have an interest in finding more about what inroads are being made in preventing, assessing and treating strokes.

Revesby Workers' Club, through ClubGRANTS, has provided support to the local schools who specialise in the development of students who face intellectual and physical challenges over many years. The teachers and staff at these schools do wonderful work for students with diverse learning needs and are truly dedicated. Prior to Christmas, I was privileged to be invited to attend the Presentation Day at Broderick Gillawarna School and the Year 12 graduation at Caroline Chisholm School. The performances were truly uplifting, and the self confidence that these children have developed through their education is overwhelming.

The Club's Charity Committee (which I am privileged to Chair) has continued to raise funds to assist the local community, in recent times by purchasing "wish list" equipment for Bankstown-Lidcombe Hospital. We are most grateful for the support provided to the Charity by Revesby Workers' Club through our Friday night meat raffles at the recently renamed Revesby Greens and through ticket sales for Seniors Concerts. We have grown a very loyal group of supporters at our raffles and welcome newcomers! Our (belated) Christmas in July function was lots of fun, as well. During the year the Charity was able to provide \$50,000 towards the purchase of a critical ultrasound device to assist during surgery at Bankstown-Lidcombe Hospital.

As I said, we are truly lucky to live in Australia. We look forward to another great year for Revesby Workers' Club in 2024.

Our Club Community

GIVING TO FAMILIES AT CHRISTMAS

Every year the Clubs' foyer plays home to a very special Christmas Tree, the 'Workers' Giving Tree', while our Health Mates Fitness Centre hosts an annual 'Food Drive'.

Both activities are in support of the local Padstow Community Care Christmas Appeal and each year all members, guests, and staff are invited to participate.

Padstow Community Care is committed to supporting our most vulnerable community families and making Christmas a memorable one. So many people are suffering financially, or alone, expecting to spend Christmas without any presents or support.

They plan to change this by providing Christmas Food Hampers and presents to families and individuals. In addition, the Community Care team provides a free Christmas Day lunch in the hope that people's lives will be filled with joy at Christmas.

The response to this year's Worker's Giving Tree and Food Drive was overwhelming.

Together our Club Community donated over 200 gifts for children to open Christmas morning and 183.5kg of food products used to create festive hampers for families to enjoy at home with their loved ones.

Thank you to everyone who has donated to this year's Christmas Appeal. We know many local families will truly appreciate your generous donations.

International Women's Day

#InspireInclusion

For International Women's Day 2024 and beyond, let's Inspire Inclusion.

When we inspire others to understand and value women's inclusion, we forge a better world. When women themselves are inspired to be included, there's a sense of belonging, relevance and empowerment.

The aim of International Women's Day 2024 is to collectively forge a more inclusive world for women. To openly embrace their diversity of race, age, ability, faith, body image, and how they identify.

It's important to understand, value and seek out the inclusion of women and girls. Additionally, sharing this knowledge, support and encouragement with others is key.

THE RECOGNITION AND CELEBRATION OF STAFF ACHIEVEMENTS

On 16th November, the Club held their bi-annual Staff Meeting, with more than 170 employees in attendance. The Whitlam Theatre was decorated in festive cheer and the meeting was opened with an incredible performance by two amazing artists from Kari, an Indigenous not-for-profit

organisation, who performed their version of Acknowledgment to Country.

The purpose of this Staff Meeting was to bring the whole team together to thank them for their incredible support throughout the year. It also provides opportunity to reflect on the year that was and to communicate any new ventures for the Club. The meetings keep the whole team on the same page and in the know.

The first item on the agenda was a minute's silence in acknowledgement of the unfortunate passing of two staff members during the year.

Left-Right: Brenda, Buppha, Benjamin and Amanda receiving their 5 year anniversary awards.

Following on was the recognition and celebration of milestone work anniversaries. This year, we proudly recognised 39 employees with anniversaries ranging from 5 years of service all the way up to 20 years of service! Our staff's dedication to long service at the Club clearly reflects the success of our core Values; Adaptable, Teamwork, Supportive and Strength.

For the second year, we were also excited to congratulate 9 staff members who completed a variety of qualifications supported by the Club. These included Certificate IV in Leadership & Management and Certificate III in Hospitality.

Additionally, our Staff Scholarship Program recipients were presented with their final cheque installment, to assist them in continuing their journey to attain the required credentials for their chosen fields of study.

A successful morning was had by all, with a hearty buffet breakfast prepared by our Food and Beverage Department and plenty of lucky door prizes.

Tertiary Scholarship cheque recipient Cindy Tang with Club CEO Scott Bennetts.

Left-Right: Julie and Pauline receiving their qualification certificates.

A large turnout attended the annual end of year staff meeting.

IT WAS A SPOOKTACULAR SOIREE

The end-of-year Staff Party was brought forward to assist in alleviating the pressure on key departments during the peak Christmas period. It was held at the end of October and its theme inspired by Halloween.

More than 130 staff were in attendance, embracing the spooky theme. The room did not disappoint, met with a graveyard on arrival, web covered chairs, cauldrons and witches. The buffet showcased skeleton and spider charcuterie and a coffin covered in Halloween inspired sweets and treats.

There were plenty of games for the staff to enjoy, including 'Spin the Wheel' and 'Lucky Dip'. All games encouraged a gold coin donation. Staff raised over \$1,400 which was donated equally between Biyani House - Revesby Women's Shelter and St Luke's Church, Revesby. Both charities support those most in need in our local Club Community.

GREENKEEPERS BOWLS DAY

Congratulations to Craig Tuohy, Head Greenkeeper at Revesby Greens, on successfully raising \$6,000 for the Prostate Cancer Foundation of Australia.

Now in its 4th year, Craig has been organising this annual Greenkeepers Bowls Day, with the support of fellow Greenkeeper Daniel Farrell, both the Men's and Ladies Bowlers

and major sponsor, First Class Tree Service.

Craig was driven to help raise awareness around Prostate Cancer following his father's successful recovery.

The Prostate Cancer Foundation of Australia is a leading community-based organisation for prostate cancer research, awareness and support.

Well done Craig on another successful event.

ANZAC Day

Thursday 25 April

ANZAC

Day

ANZAC Day is the solemn day of remembrance of those Australian and New Zealand Army Corps soldiers who fought and died at Gallipoli in 1915. It is also a day of remembrance for all soldiers who died while fighting for their country.

ANZAC Day has been celebrated in Australia since October 1915 (in South Australia) then nationally on 25 April 1916. It has been a public holiday across the country since the mid-1920s.

ANZAC Day's phrase '*Lest We Forget*' is uttered after the reading of the Ode of Remembrance, taken from a poem called '*For the Fallen*', written by Laurence Binyon in 1914 in England.

*"They shall grow not old, as we that are left grow old;
Age shall not weary them, nor the years condemn.
At the going down of the sun and in the morning
We will remember them."*

ATHLETICS (JUNIOR)

Liaison Director: Baden Kirgan

Our 2023-2024 season has been another successful one, with a record number of athletes registered with our club. We have now settled into our new purpose-built facilities at Kelso North and the quality of our grounds has contributed to many centre records being broken this season, some of them very long-standing records.

In December 2023, we had 106 athletes compete across 345 events at the Zone Championships. A large number of these athletes subsequently qualified for the Region Championships, being held in February 2024 and we wish them the best of luck at the next stage of competition.

The new season of Little Athletics will commence in August 2024 and runs through until March 2025. Registrations will open online in August 2024 via our website www.revesbylac.org.au.

Revesby Workers' Little Athletics promotes fun, fitness and skills development in a friendly competitive environment while encouraging family participation, community spirit and values. Any child born between January 2008 and December 2020 can join our Centre in the new season. Children engage in running, jumping and throwing events in accordance with NSW Little Athletics guidelines with the opportunity to compete at carnivals outside our centre as well as in regular Friday night competition.

Registration fees are a one off cost each year with no weekly fees involved. Uniforms are purchased from the centre during the registration period. A small amount of fundraising assists in the purchase of end of season awards and enables us to keep our equipment up to date.

For any information or enquiries please contact **Christine** on 0413 886 431.

ATHLETICS (SENIOR)**Liaison Director: Christine Butters**

In November we saw one of the biggest competitions for Senior athletics with the annual State Relay Championships held on the 18th-19th

This year Athletics New South Wales have lowered their age groups to include the U10 athletes which saw a number of our junior athletes taking part.

We entered 45 teams and had lots of positive results across the board with 23 teams earning medals for their performances, with another 7 teams finishing 4th place.

Gold x 4
Silver x 11
Bronze x 8
4th x 7

In December saw the Australian All Schools Championships in Perth, we had 5 athletes competing.

U14 Lowami Carati 4th Discus

U15 Holly Carr 5th High Jump with a Personal Best of 1.64m

U16 Toby Calder 2nd High Jump with a Personal Best of 1.95m

U18 Anthony Valenta 4th High Jump with a Personal Best of 3.85m

BANKSTOWN STROKE SUPPORT GROUP**Liaison Director: Christine Benham**

Our support group meets on the fourth Wednesday of the month (not necessarily the last Wednesday) at 10.30 am and we finish by 12.30pm.

The group is a support network for stroke survivors, families and carers and we aim to provide educational topics to empower the individual's recovery.

28 Feb: Stroke Foundation will present via Zoom on the world first Australian initiative of stroke living guidelines.

27 Mar: Ingham Institute is presenting on the TOP 5 program for hospital admissions and also a robotic arm trial.

24 Apr: to be confirmed although we are hoping for a pharmacy speaker from Bankstown Hospital raising awareness of the need for regular medication if you are prescribed.

We normally meet in one of the first floor rooms although proposed renovations may change locations.

All Revesby Workers' members are welcome. Contact **Tony Finneran** on **0418 295 222** and leave a message if you intend to join us.

BOWLS – INDOORS (LADIES)**Liaison Director: David Raper**

As 2023 comes to an end we farewell another year of fun filled Wednesdays and are so grateful that some of our ladies that have had health issues were able to return to bowls or joined us for lunch whenever they could. Wednesdays are more than just playing bowls, it is when friends come together and support each other when needed. The fun, laughter, winning and the losing teams getting the "chocolates" are just a by product.

We are grateful to RWC for their support and look forward to recommencing our bowling when the renovations are completed at the end of 2024.

The AGM was held as required by our Constitution however all positions remained given that there will be little if any activity required over the next year. The elections will be held at the next AGM.

The 2023 Christmas Party went off with a bang or should I say the shaking of the hips! As always the food from RWC kitchen was fabulous and a singer sang songs to remind us of our youth and encourage us all to dance like no one was watching or those that couldn't chair dancing was just as good. Sore bodies to be sure the next day but well worth it.

The plan is to get together on the 7th. February next year to catch up for lunch and plan activities for the year without bowling.

Wishing all a wonderful festive season and a happy and healthy 2024.

BOWLS – LAWN (LADIES)**Liaison Director: David Raper**

After a challenging competition, the Club Pairs was won by Jan Calderon and Norma Gray. The runners up team was Joy Pavey and Maureen Farrugia. Well - played, ladies.

Ellie Atme , Elizabeth MacFarland (with George Atme and Laurie Wilson) and Sandra Weekes and Betty Graham (with Peter Shean and Dave Raper) have reached the finals of the Mixed Fours which will be played in February.

Sadly, we lost two of our bowlers in 2023. Beryl Harmer and Valma Hall passed away near the end of the year. They were not active bowlers for the last few years, but both gave many years to bowling for our club. Their bowling skills and their friendship and comradeship will be remembered by all who knew them.

Our end-of-year celebrations were very enjoyable. A lunch cruise on the harbour was enjoyed by all of us. Our Christmas break-up day was a lot of fun and our raffle was a great success. We resume bowling on Thursday, 11 January, 2024.

Traditionally, the Ladies Club organises the Australia Day challenge. It was a successful

Sports Reports

day with high quality bowling followed by our lunch of a meat pie, mashed potato, mushy peas and gravy. Of course, lamingtons were also served on the day.

In February, the Club Fours will be contested, followed by the Club Triples in March. The Open Pennants will also begin at the end of February. The ladies enjoy competing with the Men's Club in this competition. What a busy start to the year!!

New members are always welcome. Coaching is provided for inexperienced bowlers. We bowl every Thursday morning and many of the ladies join in with the men on either Saturday afternoons or Friday Twilight bowls.

We love our bowling and we have lots of fun. If you are interested, please contact our President, **Dianne Oliver** (0412 738 420) or our Secretary, **Pat Tate** (0408 006 404).

See you on the green!

BOWLS – LAWN (MENS)

Social Bowls on Wednesday and Saturday through the season. Games may be halted if temperatures exceed 36 degrees during the summer.

Friday evening Twilight bowls will continue until the end of summertime. It's been a great success supported by the Revesby Greens caterer providing delicious meals. Bowlers are also supporting the Bill Bullard Charity raffle.

Pennants season will commence around mid February and run for ten weeks. The bowling club is looking to play completion in two grades in 2024 in the unified teams.

New bowlers are always welcome. If you love your sport and age and injury has caught up with you, then lawn bowls is more difficult than what most people think. It's extremely competitive, very rewarding and the camaraderie is hard to beat.

Give it a try!

CRICKET

Liaison Director: Christine Benham

This summer season is well underway, with the finals being played in March. Performances have been good, generally,

and we are having fun, which is what park cricket is about! Thank you to our wonderful band of volunteers –captains, scorers and managers. Cricket cannot be played without people stepping up to take on these roles.

All our senior players have been doing the Club proud, with some great performances and displaying the true spirit of cricket!

The FORCE – Fathers Of Revesby Cricket Eleven – have not played any matches yet this season, but there is still enthusiasm to get on the park and, indeed, to play in any festivals that come along.

We finally celebrated the Cricket Club's 60th Anniversary in season 2022-23 in December 2023. It was a lovely dinner and it was a good opportunity to catch up. Presentations will probably be combined for 2022-23 and 2023-24.

We hope everyone had a very happy Christmas, and wish you all a wonderful 2024. Take care and stay safe.

FOOTBALL (SOCCER)

Liaison Director: Daryl Melham

Even though it's officially our off season, we have been super busy at RWFC. We have once again hosted our very successful Kindy Summer program. We had 25 players sign up and 10 club members stepping in as coaches. 9 of those coaches were junior players from our club and were led by our coaching coordinator and successful G13 coach, Brad Fitzgibbons.

This exceptional program is written by club stalwart and junior coach, Kenny Dunn and implemented by our junior coaches who did a fantastic job under their mentor Brad.

The program consisted of ball skills, fitness, how to have fun while playing and how to play a 4 on 4 under 6s game. All the kids had a fantastic time and great feedback from parents who cannot wait to join our under 6s or return to Kindy Soccer during the next session we run.

Everyone else who is keen to register for our 2024 season should head over to our website revesbyworkersfc.com.au, or go directly to the registration platform at registration.dribl.com/club/633.

We are looking for male and female player aged 5 to 105. All you need is a willingness to have a go and a desire to have fun.

GARDEN CLUB

Liaison Director: Christine Butters

Happy New Year from all of us at the Garden Club, where Flowers and Friendship go hand in hand!

In September we had our Spring Coach Tour to the Everglades House and its magnificent gardens at Leura. Azaleas and rhododendrons in full bloom highlighted the perfect weather. We now look forward to our Autumn Coach Tour early this year.

Our September guest speaker, Helen Lovell, represented Neutrog Garden Products. Samples were distributed during our October meeting.

October's guest speaker, Brenda Parker, emphasised the versatility of bonsai by showing us that even fruit trees could be made into bonsai!

November saw the return of bush poet Ralph Scrivens. It was also our Annual General Meeting where every club officer was re-elected unopposed.

We had our Christmas luncheon at the Revesby Workers' Club in early December. A generous buffet as well as live entertainment and lucky door prizes rounded up a busy and productive year.

Invitations have been extended to potential guest speakers for this year. Last year our guest speakers covered not only gardening but also bush poetry, music, historical events and scientific innovations.

We resume our monthly meetings on 3rd February at the Revesby Workers Club. We meet every first Saturday of the month (except for December and January) from 10 am till 12 noon.

Due to planned renovations at the club, the new venue is to be announced before then. We recommend ringing up the Revesby Workers Club or referring to our website rwcgarden.com for further information.

GOLF (MENS')**Liaison Director: Baden Kirgan**

The club was formed in 1961 and is a thriving sub-club of the Revesby Workers' Club. The golf club currently has in excess of 50 members and is run by a very dedicated group of elected officers.

For further information, please visit our informative website www.rwcmensgolf.org. It has been a busy few months leading up to the end of year celebrations.

This year was one of our better ones on record. No virus or weather issues, and a great core of members that played and engaged spectacularly.

A big thanks to the dedicated committee that worked tirelessly to ensure that the year was a successful one. Also, many thanks to the members that showed up to support their club, week in week out.

Thank you to Revesby Workers' Club for their continuing support of our club which is now into its 63rd year.

The results from the last few months are:

17-9-23-Port Kembla GC -Single Stableford

Triumphant Season for Revesby Workers Touch Football Club (RWFC) Werewolves Men's Team

As we approach Monday, December 18th, the RWFC Werewolves Men's team stands on the brink of concluding a remarkable season.

Competing in the St George Monday night competition, the team's journey has been nothing short of extraordinary, finishing the regular season at the top of the table with just one defeat. It was an 11-8 victory over the fourth-placed team 'Award It' that cemented their well-deserved position in the grand final.

The team blends a mix of youth and experience with the likes of young stars from the men's opens side, such as Michael Kanis Parker, Tyson Martin, Kassam Choker and the Harris brothers. Alongside them are the experienced veterans of the mixed masters team, including Mojo, Taine, Jezza, Scott and Brad.

As the grand final looms ahead on Monday, the team eagerly anticipates a hard-fought battle, followed by a celebratory gathering at the Revesby Workers' Club for some well-deserved ice-cold beers during the post-season dinner.

We extend our heartfelt appreciation to the Revesby Workers' Club for their sponsorship, Club President Greg Harris for his exceptional organizational efforts in managing the team and sponsorship, and St George Touch for orchestrating the thrilling competition.

A special thanks go to all the players who contributed to making this season an outstanding success.
