International Women's Day

SAVE THE DATE

Friday 6 March 2026

Imagine a gender equal world. A world free of bias, stereotypes, and discrimination. A world that's diverse, equitable, and inclusive. A world where difference is valued and celebrated.

Let's **Balance the Scales** with a promise that every woman and girl – regardless of background or identity – should be safe, heard, and free to shape their own lives. In 2026, too many across Australia and the world are still denied that fair go. Discriminatory laws, policies, and practices persist. Gender-based violence remains widespread, and structural barriers block too many from seeking or receiving justice.

These barriers are not inevitable. They are built – and they can be dismantled.

When women and girls stand equal, families are stronger, workplaces are fairer, communities thrive, and society becomes safer for everyone.

This International Women's Day, let's Balance the Scales together.

Dear Members,

At the time of writing this report, preparations are underway for our upcoming Annual General Meeting (AGM). This event provides an important opportunity to reflect on the past year's activities, financials, and achievements, and to look ahead to the year to come.

MEMBERS ANNIVERSARY

We were delighted to host a special presentation event on Thursday 23 October 2025, in honour of members who have reached significant milestones in their membership journey with Revesby Workers' Club.

This meaningful occasion recognised and celebrated those who, in 2025, marked their 25-, 40-, 50-, or 60-year Membership Anniversaries with the Club. These remarkable achievements are a testament not only to the longevity of our members with the Club, but also to the strong sense of community, connection, and loyalty that has been built and sustained over the decades.

For many, Revesby Workers' Club has been more than just a venue – it has served as a place of friendship, belonging, and lasting memories. From live entertainment and dining to community events and sporting activities, our long-standing members have played a vital role in shaping the Club's story and continued success.

This annual event is a cherished highlight in the Club's calendar, providing the Board of Directors with the opportunity to formally express gratitude and appreciation to our most dedicated members. Attendees enjoyed a warm and welcoming atmosphere, a heartfelt presentation ceremony, and the chance to reflect on their shared history and contributions to the Club.

To all members celebrating a milestone this year – thank you. Your commitment, loyalty, and support remain the foundation of what makes Revesby Workers' Club a truly special community.

CLUBGRANTS

In 2025, the Club proudly hosted the Canterbury-Bankstown Local ClubGRANTS Presentation, bringing together Canterbury-Bankstown City Council, 12 local clubs, and over 60 community organisations to recognise recipients of this year's funding. Mayor Bilal El Hayek attended and addressed the presentation, acknowledging the strong collaboration between Council, local clubs, and community organisations in addressing key social priorities and delivering meaningful and lasting community benefits across the region.

Collectively, participating clubs contributed an impressive \$2.7 million to local projects and services. Revesby Workers' Club committed \$395,735 across 26 programs, providing support for community welfare, youth development, cultural initiatives, and ongoing services for victims of domestic and family violence.

These contributions form part of the Club's broader social responsibility strategy, reflecting its commitment to

community wellbeing, inclusion, and sustainable local impact. Through strategic partnerships and targeted funding, the Club continues to deliver outcomes that strengthen the local community.

Revesby Workers' Club recently hosted the Canterbury-Bankstown Local ClubGRANTS Presentation.

SENIORS CONCERTS

Senior's Concert has been an institution at Revesby Workers' Club for many years, and we are excited for the Christmas Senior Concert to be held in the Whitlam Theatre on Tuesday 9 December 2025.

With outstanding performers our seniors have the opportunity to listen to some live music and be entertained whilst catching up with lifelong buddies or newfound friends.

Such is our rush for Senior's concert tickets, we do recommend purchasing your tickets in a timely manner to avoid disappointment. Tickets for November concert attendees will be on sale from Tuesday 18 November from 3.00pm until Sunday 23 November at 7.00pm. Those members new to our Senior's concerts can purchase online or at Club Reception anytime after the above-mentioned period.

REMEMBRANCE DAY

We would like to remind all members that our annual Remembrance Day event will take place on Tuesday 11 November 2025. This important occasion offers us the opportunity to come together as a community to honour and remember those who have served and sacrificed.

Please note that this year, the event will no longer be invitation-only. All members and their guests are warmly invited to attend. We encourage you to join us for this meaningful commemoration.

HEALTH MATES FOOD DRIVE

Health Mates Fitness Centre is dedicated to giving back and supporting those in need within the community. Each year, Health Mates runs a Christmas Food Drive in partnership with Padstow Community Care, helping create hampers for local families who may be struggling during the festive season. In 2024, the generosity of club members and staff resulted in 183.5 kg of food donated, bringing support and festive cheer to many vulnerable households. Continuing this tradition, the Food Drive will run again this year to further support Padstow Community Care and the local community. Refer to page 16 for details.

CHRISTMAS AND NEW YEAR

As we draw the year to a close, we would like to take this opportunity to extend our heartfelt thanks to each and every one of our members for your continued support, enthusiasm, and involvement throughout the year. Your participation is what makes our club the vibrant, welcoming, and thriving community that it is. We wish you and your loved ones a safe, joyful, and restful Christmas season. May this time be filled with peace, laughter, and celebration.

As we look ahead to 2026, we're excited to continue building on the successes of this year. We have several new initiatives, events, and opportunities in the pipeline, and we can't wait to share them with you in the New Year.

Until then, enjoy the festive season, take care, and we look forward to welcoming you all back in 2026 for another fantastic year.

Proud to Serve Revesby Workers' Club

As a long-standing member of Revesby Workers' Club and now in my third year on the Board, I take great pride in the many ways our Club continues to make a positive impact. Our recent announcement under the Amplified Program, committing 10% of profits to meaningful community initiatives, reflects a strong and enduring dedication to supporting those who need it most. This initiative is not only significant in its scale, but also in its potential to create lasting change.

Our unwavering support for our **sub-clubs** remains central to who we are. These groups represent the foundation of our history and values, fostering connection, enjoyment, and lifelong friendships for members of all ages.

While gaming remains a core component of our industry, I'm proud of the Club's responsible approach. We continue to take proactive steps to minimise the risks associated with gambling, ensuring the wellbeing of all patrons remains a top priority.

Above all, I'm proud of the exceptional people and culture at Revesby Workers'. The professionalism, warmth and dedication demonstrated by our staff and management is evident in every interaction and is a true reflection of what makes this Club special.

CLUBGRANTS 2025 – DRIVING POSITIVE CHANGE LOCALLY

Revesby Workers' is proud to be part of the 2025 Canterbury-Bankstown Local ClubGRANTS program, supporting initiatives that make a real difference in our community.

This year, 12 local clubs across Canterbury Bankstown participated in the program, with 99 organisations funded for 143 projects, totalling over \$2.7 million invested into your local community. Revesby Workers has proudly invested \$395,735.00 into 26 local programs, supporting initiatives that address a range of community needs. From grassroots programs to essential services, Revesby Workers' is committed to backing initiatives that strengthen our community and create a more inclusive, supportive environment for everyone.

We are incredibly proud to support local organisations who work tirelessly to improve lives in Canterbury-Bankstown,
said Christine Benham, Club VP at the 2025 ClubGRANTS presentation in September.

...Through these programs, we can help ensure that vital services reach those who need them most and continue to build a stronger, more connected community.

Over the past 12 months, Revesby Workers' community investment has exceeded \$2 million in both cash and in-kind support. Much of this impact has been made possible through the RWCommunity: AMPLIFIED initiative, which allows the Club to extend its support beyond the ClubGRANTS scheme. Through AMPLIFIED, the Club has been able to contribute to vital causes such as disaster relief efforts on the Mid North Coast, as well as support organisations like Georges River Life Care and Lugarno Girl Guides.

While these organisations are based outside the club's immediate local government area, they continue to provide valuable services to members of the Revesby Workers

community and the broader population. This reflects the Club's commitment not only to addressing local needs but also responding to wider community challenges, ensuring that support reaches those who need it most.

SUPPORTING ALL ABILITIES IN EARLY CHILDHOOD EDUCATION AT KOORANA CHILD & FAMILY SERVICES

Koorana Child & Family Services is a community-based non-profit providing vital early intervention and educational services for children of all abilities. From early childhood

through to the teenage years, to sibling support, 14 playgroups, and two inclusive preschools, Koorana helps every child learn, grow, and thrive—wherever they need it most.

In response to high demand and limited local services, Koorana has established its third inclusive preschool in Bass Hill. The preschool offers a play-based learning program guided by Koorana's vision: children of all abilities should have the opportunity to explore, learn, and grow in a safe, supportive environment.

Through the ClubGRANTS program, Revesby Workers', Bankstown Sports, and Canterbury Leagues each contributed \$35,000 to Koorana's new inclusive preschool, bringing the total donation to \$105,000. The funds supported essential educational and therapeutic equipment, furniture, and fittings, helping the preschool meet the needs of every child.

As part of its commitment to inclusive education, the Club also provided an \$8,500 grant to Koorana's PALS program, an evidence-based initiative that supports the social development of 4–6-year-olds. Using puppets, stories, games, and role play, PALS helps children build vital social skills and improve interactions with peers and adults.

The support has been incredible. Our new inclusive preschool in Bass Hill is designed to support families in the community who may be experiencing vulnerabilities, ensuring their children don't miss out on early education.

BUILDING MATESHIP WITH A REVESBY MEN'S TABLE

The Club has invested in supporting men's health and wellbeing in our local community with a \$10,000 grant to The Men's Table, helping to establish a new group for men in Revesby and surrounding areas.

The Men's Table is a national initiative that brings men together to share a meal and meaningful conversation once a month. Each "Table" consists of 8–12 local men of different ages, backgrounds and life stages, who meet regularly to talk about what's really going on in their lives – the highs, the lows, and everything in between.

With over 250 Men's Tables now operating across Australia, nearly 3,000 men are experiencing the benefits of connection, support, and lasting friendships through this simple yet powerful model. To kick things off, an introductory dinner known as an Entrée will be held at Revesby Greens on Wednesday, February 4. This no-pressure evening gives interested men the chance to hear about the Men's Table experience, ask questions, and connect with some long-standing members.

There are no joining or membership fees – men simply cover the cost of their own meal. Seats are limited, so early registration is encouraged via themenstable.org/entree-nsw.

For more information, call **1800 636 782** or email hello@themenstable.org.

AN ICONIC ACHIEVEMENT – ICON CANCER CENTRE REVESBY

In 2017, Revesby Workers' was honoured with the Health and Wellbeing Award at the Clubs NSW, Clubs and Community Awards for our "Iconic Partnership" with Icon Cancer Care. This partnership ensured the local community has access to critical, life-saving cancer treatment close to home.

Cancer remains a leading health challenge in NSW, with cases rising over 75% in the past 20 years and projected to

grow a further 20% by 2036. In Canterbury-Bankstown, lung cancer incidence is above the state average, and it remains the leading cause of cancer death.

Since opening, Icon Cancer Centre Revesby has delivered over 1,000 radiation treatments and 6,000 Day Hospital treatments since mid-2020. Medicare covers up to 90% of radiotherapy treatment costs, making the service accessible without private health insurance. However, Day Hospital treatments require private health insurance.

As a community-focused organisation, Icon Cancer Centre Revesby not only provides essential cancer treatment but also actively engages the local community through awareness and fundraising initiatives. This year, they hosted an event to raise awareness of the National Lung Cancer Screening Program with insights from Dr Megan Berry and Dr Mohsen Shafiei. Icon also supports Bowel Cancer Australia, with a dedicated Specialist Nurse onsite, and has raised over \$9,000 through recent fundraising events to promote prevention and early detection.

Several oncologists at Icon Revesby also provide care at Bankstown Public Hospital, ensuring continuity of care for local patients. As Bankstown currently lacks a Radiation Oncology department—the nearest public facility is at Liverpool Hospital—Icon is proud to offer timely, comprehensive treatment options at its Revesby centre.

For more information on services and specialist care at Icon Revesby, please head to iconcancercentre.com.au/centre/revesby or call **02 8722 2800**.

LAWN BOWLS – MORE THAN JUST A GAME

The Revesby Bowling Club sub club is nearly as old as the Club itself, boasting years of promoting social connection, friendly competition, and community engagement. Currently hosted at Revesby Greens, the club offers a welcoming environment where players of all ages and abilities can enjoy the timeless sport of lawn bowling.

Lawn bowling is a low-impact sport that promotes flexibility, balance, coordination, and overall physical health. Walking along the greens and engaging in focused play also supports cardiovascular fitness and encourages gentle, regular activity.

Beyond the physical benefits, the social aspect of the sport helps players meet new friends, strengthen existing relationships, and enjoy meaningful conversation—combating isolation and improving mental wellbeing.

The lawn bowls sub club isn't just about sport—it's a community. Regular competitions, social events, and casual play create opportunities for local residents of all ages to connect, share experiences, and build lasting friendships.

Revesby Bowling Club also hosts events that encourage local participation, building a sense of belonging and pride in the community, contributing to charity and community legacy!

Lawn bowling is inclusive and accessible, with programs designed for both seasoned players and beginners. For those looking to combine fitness, friendship, and fun, Revesby Bowling Club provides the perfect green to get started. Join us and experience the benefits of this engaging, social, and healthy sport.

Social games are held Wednesday, Thursday, Saturday, and Friday evenings in summer, with competitions and championships also available. Membership is \$90 (2025/26) and social games \$12–\$15. New players can enjoy ten trial

games, and groups can book coached sessions. To find out more at revesbygreens.com.au or contact Revesbybowlers@outlook.com

REVESBY WORKERS' CELEBRATES YOUNG VOICES THROUGH WHITLAM INSTITUTE

Revesby Workers' Club is thrilled to celebrate the achievements of young Australians through the Whitlam Institute's What Matters? Writing Competition, which this year saw a record-breaking 6,500 entries from 813 schools. The competition gives students a platform to reflect on the issues that matter most to them, share their stories, and have their voices heard.

This year's winner, Lakiah Chatfield from Coonabarabran High School, is a proud Gamilaraay young woman whose essay explored identity, culture, and the importance of genuine respect through Acknowledgment of Country. Lilyana Watson from Hurlstone Agricultural High School was also recognised with the prestigious Graham Freudenberg Award for her outstanding contribution.

RevesbyWorkers' recently contributed \$80,000 to support the Whitlam Institute's work in civic and citizenship education, helping young people engage with their communities and

develop the skills to shape Australia's future. By supporting programs like What Matters?, the Club is proud to invest in opportunities for students to reflect, question, and express themselves — nurturing the leaders and changemakers of tomorrow.

BUILDING CONNECTIONS FOR LOCAL FAMILIES – SUPPORTING MILPERRA PLAYGROUP

RWCommunity is committed to supporting programs that strengthen families and build lasting community connections. As part of this commitment, the Club has proudly contributed \$8,500 to Playgroup NSW to expand their Volunteer Training Program and provide essential operational funding to the Milperra Playgroup.

This funding ensures that local families can continue to come together each week to learn, share experiences, and build lifelong friendships. Recently, Club Vice President Christine Benham, together with Member for East Hills

Kylie Wilkinson and Clr. David Walsh, visited the Milperra Playgroup during a Monday session to see first-hand the impact of this support. At the heart of the Milperra Playgroup are dedicated volunteers, without whom these sessions would not be possible. Among them are Paul and Leanne Judge, who have been involved with the playgroup across two generations of their family. Their long-standing commitment is a testament to the value of playgroups and the sense of belonging they create, not just for children, but for parents and grandparents alike.

Volunteer-run groups like Milperra Playgroup rely on the generosity of time, effort, and community support to keep their doors open and their programs thriving. Thanks to this funding, volunteers will have greater access to training opportunities, and families will continue to enjoy a welcoming space where children can play, learn, and grow.

REVESBY WORKERS' CLUB WALKS IN SUPPORT OF MESO MARCH

On Sunday 14 September, Revesby Workers' Club proudly joined the Asbestos & Dust Diseases Research Institute (ADDRI) for their 5th annual Meso March – an inspiring event that honours and supports people and families living with mesothelioma and other dust diseases.

Over 80 participants came together to walk, talk, and share stories, reminding one another that even through grief and sadness, no one walks alone. The club was honoured to walk alongside the ADDRI team, community supporters, and Ms Sally Sitou MP, Federal Member for Reid, whose advocacy continues to make a meaningful difference for those affected by dust diseases.

Revesby Workers' Club has been a strong supporter of ADDRI's life-changing work, most recently with a \$75,000 donation to further vital research and support services. Sending staff to take part in the Meso March was another way for us to show our ongoing commitment to the cause and to stand with families impacted by these devastating diseases.

While there is currently no cure for mesothelioma, events like the Meso March shine a light on the challenges faced by those affected and highlight the importance of ongoing research.

PRIORITISING THE HEALTH & WELLBEING OF OUR PEOPLE

At Revesby Workers' Club, our people are at the core of everything we do — and their health and wellbeing remain our top priority. In today's fast-paced environment, it's easy for personal wellbeing to take a back seat to professional, family, and everyday responsibilities. That's why we are committed to creating a workplace that actively supports and encourages our team to prioritise their health and wellbeing.

We believe that when our people feel their best, they're able to perform at their best — both professionally and personally. Supporting this is not just a responsibility, but a key part of who we are.

To reinforce this commitment, we have launched our Health & Wellbeing drive — a series of proactive initiatives designed to support our employees across all aspects of their wellbeing journey. From complimentary professional health screenings to supporting various initiatives like RUOK Day and Daffodil Day, we are focused on fostering a healthy balance between work, health, and lifestyle.

The results speak for themselves: in September, 22 team members participated in our Skin Check campaign, leading to early detection and timely follow-up care — a powerful reminder of the real-world impact these initiatives can have. This is just the beginning. We remain dedicated to building a culture where our people are empowered to live healthier, happier, and more fulfilling lives.

CELEBRATING 40 REMARKABLE YEARS – FAREWELL TO VID BENKOVICH

In 1985 — the year Australia celebrated Neighbours, an America's Cup win, and John Farnham's chart-topping success — Revesby Workers' welcomed a young chef who would go on to dedicate 40 years of service, loyalty, and culinary excellence.

From day one, Vid became a cornerstone of the kitchen, known not only for his skill — from signature sauces to much-loved roasts — but for his humility, generosity, and constant smile. His presence shaped more than the meals served; he helped build the camaraderie, care, and culture that define the Club today. His recent retirement celebration drew a room full of colleagues and friends, reflecting the deep respect and affection he has earned. As he steps into a well-deserved next chapter focused on his health and family, we thank him for four decades of outstanding service and friendship — a legacy that will long inspire those who follow.

Photos from Vid's farewell.

STANDING TOGETHER AGAINST GENDER-BASED VIOLENCE

Each year from 25 November to 10 December, the global community marks the 16 Days of Activism against Gender-Based Violence — a movement driving awareness and action since 1991. At RWC, we proudly stand with this cause. Since May 2025, our Purple Friday's initiative has seen staff wearing purple every Friday as a visible show of support for survivors of domestic and family violence and a stand against gender-based violence in all its forms. During the 16 Days, this commitment will continue as we promote a culture of respect, safety and equality. The colour purple will remain a quiet but powerful symbol across our spaces, reflecting our pledge to raise awareness, support those impacted and drive meaningful change.

As a club and community, we are playing our part in building a world free from gendered violence, where all women and girls can live safely with dignity and respect. More information will be shared in the next Journal.

Workers' GIVING TREE

Every year the Clubs' foyer plays home to a very special Christmas Tree, the 'Workers' Giving Tree'. Supporting the local Padstow Community Care Christmas Appeal, we invite all members, guests and staff to participate.

Simply purchase a gift for a child and donate this to the Giving Tree

THINGS TO REMEMBER when purchasing a Gift

- All gifts must be new.
- Gifts do not need to be wrapped. This helps identify which child your gift would most suit.
- We appreciate gifts for all ages, from babies to teenagers and through to adults.
- Rolls of paper are also a great option, so the recipients can wrap the gifts for Christmas day.
- Shopping Gift Cards are also a good option, if you are unsure what to get.

Gifts can be dropped off from **Friday 7 November until Monday 1 December 2025**. We encourage you to all get involved and help us make someone's Christmas just a little bit more special this year.

HEALTH MATES CHRISTMAS Food Drive

Friday 7 November until Monday 1 December 2025

Health Mates is again coordinating a Christmas Food Drive. Your generous donations will be used to create festive hampers for families most in need this Christmas.

Here are tips to help select your donation;

Choose non-perishable foods with long expiry dates.

Where possible choose brand name products and special items to celebrate Christmas.

AUSTRALIAN NATIVE ORCHID CLUB

Liaison Director: Linda Downey

The Orchid Club holds two shows during the year September and October with many plants on display.

The venue of the Atrium of the Revesby Workers' Club proved to be a fantastic venue this year and the Club would like to express its sincere thanks to the board of the RWC for allowing us to have the use of this fine venue. Several office bearers from rival Sydney clubs mentioned how they would dearly love to have a similar venue rather than the church halls etc that they had to make do with.

During the shows a good number of visitors kept the members and sales table busy, with the ease of parking and the nearness of the railway line a greater number of people attended this year's show.

If anyone reading this journal is interested in joining this sub-branch club they will be made most welcome. Meetings are held in the Clubs McArthur room at 7.30pm on the fourth Wednesday of each month between March and November. We have various guest speakers and monthly plant raffles.

Membership fees are \$10 per year.

Further information can be obtained from **Ian Lawson President/Secretary** on **0459 276 648**

Marie has runs this 5km marathon 9 times per year. Marie's bio of runs/marathons leaves us in awe: her first marathon was the Sydney to Surf in 1988 which she has run 10 times the London Marathon Warrumbungle Marathon Gold Coast half marathon – 25 years straight and of course the one she is still doing the 5km Smithfield marathon.

Marie is in her early 80's is a brilliant bowler and a wonderful person. She does us all proud.

BOWLS – LAWN

Liaison Director: David Raper

Our 2025-26 bowling year got off to a great start with the Club Minor Singles

being won by Adrian Hart and Steve Schomberg was the runner-up. The Midweek Minors saw Ray Fitzpatrick defeating Noeline Hanley. Congratulations to all players.

Maureen Higgs, Sue Semlitzky and Ellie Atme entered the Regional Triples competition and with a great effort reached the finals. Even though the team was well-supported by our wonderful cheer squad, we were defeated by a formidable St Johns Park team. A number of our men entered the Regional Triples competition but unfortunately, they were not successful.

It was good to see several bowlers entering the Regional Fours. Despite great efforts, none of our teams were successful this year. However, it was pleasing to see Peter Chown reaching the semi-finals of the Regional Over 60s Singles.

In September, our AGM was held, the first since amalgamation. Members had the opportunity to raise issues, and the new committee was elected. Our President is Geoff Went with Dianne Oliver and Ray Fitzpatrick taking on the Vice-President positions. Our secretary is Peter Went and Ellie Atme is our treasurer. The other Management Team members are Elizabeth McFarland, Laurie Wilson, Denis Gallant and Pat Tate.

This was also an historic day for our club as the AGM was followed by the finals of the Club Men's and Women's Singles being played simultaneously. Both games were exciting and close. At the end of the day, the Men's Singles champion is Dave Raper with Peter Shean being the runner-up. Our Ladies Singles champion is Clare Chown, who defeated Sue Semlitzky. Congratulations to Dave and Clare who will go on to represent the Club at the Regional Champion of Champions contest.

We have two teams currently representing the club in the Regional Women's Pennants competition. We are playing teams from Ingleburn, Padstow, Picnic Point, Cabramatta and Mount Lewis.

Our Spring Triples carnival was a wonderful success once again this year. Great bowling, a lovely lunch and lots of fun with raffles and tombola contributed to the success of the day. Pleasingly, one of our Workers teams won the day. Congratulations to Gail McQuiggin, Leanne Kelly and Steve Jessep.

Our Members Presentation Night was well-attended with many of our bowlers' receiving awards. Notably Elizabeth Griffin and Peter Shean shone on the night but

congratulations to all the winners and runners-up.

The final of the Club Triples was a real nail biter with the two teams tied after 25 ends. The extra end was played, and Fay Shean, Sue Semlitzky and Adrian Hart were declared winners with Ross Graham, Betty Davidson and Peter Shean having to settle for runners-up. Well-played! Congratulations also to Leanne Kelly and Jan Thompson who performed well in the Regional Rookie Pairs.

What else is happening? The Club Veteran Singles is underway, and the Club Mixed Pairs will be played in October. The Turnaround Triples and the Club Men's and Women's Pairs will be played in November. The Club Mixed Fours will be played in December.

Our last event for 2025 will be the annual Olsen's Christmas Triples event. Many clubs will join us for the day. This will be a competitive and fun day with lots of Christmas cheer.

Social bowls is played on Wednesday afternoons, Thursday mornings and Saturday afternoons. Friday Twilight Bowls is played during daylight savings. All welcome to join us for this - experienced and inexperienced alike. Bowls are available if you would like to give it a go.

If you are interested in joining our bowling club, you are most welcome. Coaching will be provided. Our focus, apart from being the best bowlers we can be, is social. Interaction and enjoyment. If you would like to join us, please contact Geoff Went (0407 204 139) or Dianne Oliver (0412 738 320) for further information.

Wishing all our members and supporters a blessed and wonderful Christmas and a happy and interesting New Year. See you on the green.

CRICKET

Liaison Director: Trevor Heaslip

The senior teams commenced their seasons in early September with mixed results. Regrettably, again we have no junior teams for season 2025-26, despite many attempts to promote the sport. The Blaster program for little kids, fine for toddlers but not much use for anyone else, is about to start.

We have been delighted this season to have grown our number of senior teams to four teams. All teams have good numbers and are working together to ensure we field full teams when possible.

Sports Reports

Three of the teams are playing in the top three grades.

We encourage anyone looking to play in senior grades to contact us – Ray or Chris on 9773 7157 – we can always accommodate additional players. Park cricket, like we play, is fun for everyone!

Following on from winning the Third Grade Premiership in 2024-25, our Old Boys team, which plays in the winter Masters Cup, became back-to-back premiers in that Super 8s competition in 2025. Congratulations to Al Willmore and the team. By the time you read this article, we will be heading down the path to the 2025-26 finals series.

We hope you make the most of your summer and enjoy some beach cricket with family and friends!

GARDEN CLUB

Liaison Director: Christine Butters

Last September the Garden Club launched its first (and hopefully not last) Photo Competition. Members entered more than a hundred entries of flowers, gardens, garden visitors, and vegetables. Many thanks to Glenn Smith, professional flora/fauna/fungi photographer for acting as judge. Our gratitude goes to Helen Miller who sorted out entries and to Bunnings who donated \$50 vouchers for the winners. The Garden Club also

provided prizes for the runners-up.

Our guest speaker for that month was David from the Native Orchid Club who covered several topics on native orchids. He also invited us to visit the current native orchid exhibit which was on display that very same day near the club reception.

In October we had guest speaker Gillian Lewis from the National Maritime Museum who traced the history of the pearling industry in Australia. Many members wore pearls as requested the month before as a group fun activity!

November's guest speaker will be Richard Sterling, horticulturist from Bunnings. This will be a great chance to find out more ways to enhance our gardens.

In December we will round up another successful year with a Christmas Family Buffet consisting of a selection of hot and cold dishes. There will also be live entertainment, lucky door prizes and of course, great company.

We take this opportunity to thank everyone for contributing to this club's continuing success. May the coming year bring only the best to one and all! Happy Holidays!

There will be no meeting in January. Monthly meetings will resume in February as well as on the first Saturday of each month. Registration starts at 9:30 am for the 10 am to 12 noon meeting. For more details, refer to our website rwcgarden.com

More impressively Alex smashed multiple world records including the 50m backstroke, 100m butterfly and the 4 relay events he competed in. We are beyond proud of Alex representing the country and our club. He is an inspiration to all our up-and-coming swimming champions and an exceptional role model.

RWSC Inter-Club Carnival!

To kick off the summer season RWSC held its annual inter-club carnival 27 September at Max Parker Leisure centre Revesby. There was a total of 251 athletes representing 12 clubs from around the region. Together, these swimmers racked up an impressive 1,125 individual swims, showcasing not just the depth of talent across the clubs, but also the dedication and passion these young athletes bring to the sport.

The weather came to the party too – a perfect summer day with blue skies and just enough sun to keep the pool deck buzzing. The competition in the water was fierce, with plenty of close finishes, personal bests, and standout performances. But just as importantly, the spirit on deck was electric – filled with laughter, team cheers, and plenty of support between competitors.

One of the highlights of the day was witnessing the incredible team spirit on display. Whether it was teammates rallying behind each other before a big race, or rival clubs exchanging high-fives and words of encouragement, it was clear that this event was about more than just times on the board – it was about celebrating swimming and community.

There was no shortage of competitive fire either. Each race was a battle, and athletes left nothing behind in the pool. From the juniors having their first big swim meet experience to seasoned club swimmers eyeing top finishes, every heat brought energy and determination. It was especially inspiring to see swimmers bounce back from tough

racers with smiles and a renewed drive for the next event – the hallmark of true sportsmanship.

Acknowledgement of Volunteers & Support

A special thank you must go to our volunteers, coaches, officials, and support staff, whose efforts ensured the day ran smoothly from start to finish. From timekeeping and marshalling to set-up and pack-down, every role was carried out with professionalism and care. Events of this scale simply wouldn't be possible without the time, energy, and commitment of our volunteers. Your contribution allowed the athletes to focus on performing at their best, and your presence helped create a safe, well-organised, and welcoming environment for all clubs involved.

Please accept our sincere thanks for your hard work and dedication – it did not go unnoticed and is deeply appreciated by the Revesby Workers' Swim Club and the wider swimming community.

Head Coach also winning!

RWSC head coach Brendan Kirkpatrick was awarded the prestigious First National Gold Medallist 2025 award for Thomas Valassis's achievements at the April 2025 Australian Age Championships. It's a moment that reflects not only the talent, but his years of dedication, passion, guidance and commitment to excellence. Brendan's guidance, belief and leadership plays a critical role in shaping a national champion and this award is a true testament to his impact in the sport. Congratulations Brendan.

In closing

As our swimmers return to their training to prepare for the huge summer season ahead, we wish them all the best for the area championships in October, Junor Metropolitan Championships in November and the NSW Senior State Championships and the NSW Open Water Championships in right behind it in December. Let's not forget Australian Open Water Championships in Western Australia and our very own RWSC Qualifying meet Sunday 18 January 2026 at Cranbrook School... the fun never stops. Till next time.

TOUCH FOOTBALL

Liaison Director: Daniel Kurtz

The 2025 summer touch football season officially commenced in early September, marking an exciting return to the field for the Revesby Workers' Club's teams. This season features two Mixed Opens squads competing in the St George Touch Football Association at Kingsgrove Park.

The RW Wolves, a team with previous experience in the Bankstown competition, has transferred across to the St George competition to face new challenges and competitors. Alongside them is the RW Werewolves, a returning team that continues to demonstrate strong commitment and skill on the field.

As of the date of this report, the two teams have yet to meet in competition, ensuring that their upcoming clash will be eagerly anticipated by players and supporters alike. In preparation for this potential showdown, the club has invested in a new set of playing singlets, designed to distinguish the teams and enhance their on-field presence when they eventually face off.

The Revesby Workers' Club remains committed to fostering a vibrant and competitive touch football environment, and the 2025 season promises to be an exciting chapter in its sporting history.
